Environmental Science (Digital)	Friday, May 15, 2026	8:00 AM
Computer Science A (Digital)	Friday, May 15, 2026	12pm

Students who drop their AP class or do not show up for their scheduled test will have a \$40 unused exam fee added to their account.

Students should contact Valerie Wetta ASAP if there is a conflict...valerie.wetta@d11.org or my office is in the library computer lab.

The location for most exams will be the auxiliary gym or computer lab. Students will receive an AP exam confirmation sheet 1-2 weeks before exams begin with information about each of their exams. If you have accommodations and you are unsure about your test location, please come see Mrs. Wetta in the library computer lab.

Bring your ID, 2 #2 pencils and 2 pens (black or blue ink)

AP Art and AP Research students should check with their AP teacher for portfolio submission dates.
