September 2025

Dear Junior and Senior Students and Parents/Guardians:

Federal law requires school districts to provide the names, addresses, telephone numbers, and school email addresses of 11th and 12th-grade students to military recruiters who request this information; and/or the names, addresses, and telephone numbers of 11th and 12th-grade high school students to institutions of higher education that request this information. While we are committed to protecting the confidentiality of our students, we must comply with the law.

Parents/guardians of high school students under the age of 18 and students who are 18 years of age and older may "**opt-out**" of releasing information to the military and/or institutions of higher learning. Under the federal *No Child Left Behind Act of 2001*, the student or the parent/guardian of the student, must receive an opportunity to object to the release of the requested information.

If you object to the release of the requested information, please complete the **Notice of Objection Military Opt-Out Google Form**. For your convenience, the form is posted on the Roslyn Guidance Counseling Center website at:

<https://hs.roslynschools.org/roslyn-high-school-counseling-center/military-opt-out-letter>.

Please note, we must receive your completed Notice of Objection Military Opt-Out form **NO later than October 25, 2025**, otherwise your child's name, address, and telephone number will be included on the list to be provided to these organizations.

For additional information, questions or concerns please reach out to RHS Guidance Office Assistant, Veronica Maggio at vmaggio@roslynschools.org or call (516) 801-5120.

Sincerely,
Tanya Baptiste
