CUPP Report: Ohio School District Profile
12/16/25

CH-UH Strategic Plan

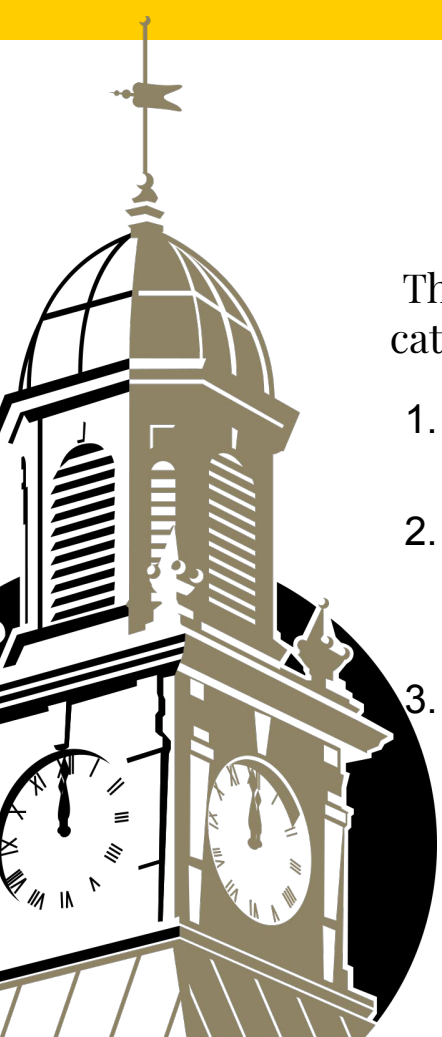

Goal 5, Objective 3:

Inform and educate all stakeholders regarding District finances and school funding in Ohio.

#1 -The CUPP Report

- ❖ The District Profile Report is published by the Ohio Department of Education and Workforce.
- ❖ Designed to provide a detailed statistical profile of each traditional public school district in Ohio.
- ❖ Report is named after former state leader Bob Cupp, longtime advocate of the fair funding of Ohio's schools.
- ❖ Access it [here](#)

#2-Content & Context

The CUPP Report provides data for over 60 variables, organized into seven main categories. The most critical data points revolve around:

1. 💰 **Financial Health: Property Valuation, Tax Data, and Revenue by Source.** This section shows a district's local tax effort and how it receives its funding.
2. 🍎 **Personnel & Spending: Personnel Data and Operating Expenditure Per-Pupil.** This includes the average salary for teachers and administrators, as well as how much is spent on education per student.
3. 👥 **Student & Community Profile: Demographic Data.** This covers student enrollment (ADM), pupil density, and the percentage of students who are economically disadvantaged or English Learners.

#3 - CH-UH Benchmarking Data

- ❖ Student Need-Our uniquely diverse student body has greater need as measured by economically disadvantaged students.
