MRS. KELSEY POGUE, ASSISTANT PRINCIPAL

PARTNERSHIP HOURS AGREEMENT 2026-2027

The Salem Community High School technology fee for the school year 2026-2027 is set at \$50.00. In order to receive a waiver for this fee a student may elect to perform 10 hours of community service work under the direction of an authorized partnership agency.

Guidelines:

- The parent/guardian and the student are responsible for contacting the partner agency to arrange participation in services that count toward the successful completion of the 10 hours.
- A listing of authorized partnership agencies can be obtained under the Parents tab of the salemhigh.com website by clicking the Pad Information link. Paper forms may be obtained from inside of the SCHS Main Office.

Accountability:

- Upon completion of the required hours, this agreement must be completed and signed by the partnership agency authorized director, the student, and the parent/guardian.
- The signed agreement should be submitted to the Salem Community High School District or Main Offices.

All information below needs to be completed and returned to the school in order to receive your waiver for the technology fee.
