

HOW TO APPLY FOR TUITION ASSISTANCE

NOTE: Applying for Tuition Assistance requires a separate account from your Blackbaud Education Management (myschoolapp) account.

Cardinal Newman uses the Blackbaud Financial Aid Management (BFAM) system to process applications for tuition assistance. **The system opens for applications on November 1.** Each family interested in tuition assistance must complete the application.

Applications for tuition assistance must be completed each school year. The entire process is on-line and protected by bank-level encryption standards.

Blackbaud provides toll-free telephone, email, and chat support to assist families through the process. The best way to get answers to questions or to solve problems is to contact Blackbaud support:

Each family must submit a new application for Tuition Assistance each year.

If you previously created a BFAM account for tuition assistance, that account will roll over into the next school year.

Your username and password will remain the same, as will your Application ID number (with the exception of the first two digits that indicate the school year).

The Parent/Guardian and Dependents section of the application will be auto-filled for you - **you will need to confirm or update your information before advancing to the next sections of the application.**
