

# Author Kate Messner will be visiting New Prospect on Monday, Feb. 2nd!

New York Times bestselling author Kate Messner invites you to Camp Monster in this fun-filled young middle grade graphic novel perfect for fans of InvestiGators.

Tasha's family has run Camp Yeti for generations, but these days there just aren't enough Yetis to fill the bunks. This summer they are rebranding as CAMP MONSTER—an inclusive summer camp experience for ALL of monster-kind. Tasha can't wait to show off all the camp traditions she loves, but things get off to a rocky start—the goblins are causing a ruckus, the ogre is a total diva, and the werewolf keeps disappearing. This is not the perfect summer Tasha had hoped for.

But then a series of mysterious strange mishaps occurs . . . someone is trying to sabotage Camp Monster! Can these monsters set aside their differences to find out who is behind the hijinks?

Although Kate Messner will only see 2nd and 3rd graders in person, *all families are invited to order a personalized, autographed copy of her book!* Just fill out the order form below.
