

SUMMER OPPORTUNITIES FAIR 2025

Welcome to the Summer Opportunities Fair for the 2025-2026 school year. Inside this digital brochure, you can learn more about the participating organizations and the impactful and varied summer opportunities they offer high school students, which include:

- College Programs
- Community Service
- Employment
- Language Immersion
- Leadership
- Performing & Fine Arts, Media & Film
- Research & Lab Experiences
- Standardized Test Prep & Tutoring
- Travel

We would like to thank all of the participating organizations for taking the time to meet with our students. We would also like to thank our Principal, Mr. Jensen and our Assistant Principals, Ms. Pace & Dr. Sarandrea for their support. A special thank you to Mr. Behnke and our incredible custodial staff and security personnel for all of their help, without which this night would not be possible. We also want to thank the Wheatley Guidance Department, especially Mr. Sean O'Brien, our Director of Guidance, for providing his insights before and during the event. Many thanks to the Roslyn High School PFA for their invaluable assistance in planning this year's event. Finally, a huge thank you to our Wheatley PTO Summer Opportunities Fair Committee members, Sheryl Packman, Gloria Ng, Diane Hirsch, & Jessica Visvader who worked diligently to bring you this event.

We hope everyone has a wonderful evening!

ReWild Long Island works with local communities across Long Island to protect and improve the biodiversity, resilience and health of regional ecosystems. This is achieved by adopting sustainable landscaping practices centered on the use of native plants.

SUMMER OPPORTUNITIES:

ReWild's Summer Program To Fight Hunger and Climate Change is for high school students and adult volunteers motivated to further biodiversity, climate resilience, and food security in our community. We believe in “learning while doing” involving hands-on projects through dirt, sweat, and toil, leaving participants with newfound knowledge and a sense of accomplishment. Students will learn about Rewilding and sustainable landscaping, Organic and regenerative food production, Composting, Recycling, as well as Terrestrial and marine ecosystems through activities such as nature walks and oyster gardening.

Applications for the Summer Program Open on April 1 and Close on April 30th

PROGRAM NAME: Sail Caribbean

WEBSITE: <https://www.sailcaribbean.com/>

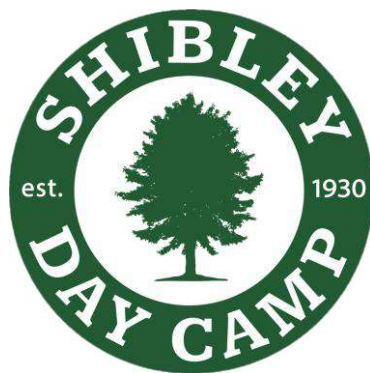

CONTACT INFORMATION: Lilly Dunphy, lilly@sailcaribbean.com, (207) 888-3511

DESCRIPTION & SUMMER OPPORTUNITIES:

With over 44 years of experience, students age 11 through 18 learn sailing, racing and seamanship while living coed with their own age group aboard 50-foot yachts and cruising the British Virgin and Leeward Islands. No prior experience is required. Our focus is on experiential learning, leadership training and personal growth.

Scuba certifications, snorkeling, tubing, wakeboarding, kayaking, and island exploration are just a few of the activities that we do day-to-day. Marine biology and community service are built into every program as well. Students earn up to 30 service hours with projects including mentoring local youth and environmental conservation.

We offer Financial Aid too!
