

# Kellybrook Kid's Zone News

## Welcome Back!

We hope all of our families had a relaxing break and were able to reset. Things are back in full swing here at Kellybrook and we can't wait for all the fun this semester!

## Manager Update

My name is Katlyn Lilly and I am very excited to join the Kellybrook community as the new Kid's Zone Site Manager. With over 10 years of childcare experience—including five years with Kid's Zone and previous roles as an associate and site manager—I look forward to supporting students' growth and creating a safe, welcoming, and engaging environment before and after school. I'm eager to partner with families to make this a fantastic year for all Kid's Zone students.

## Weather

With the forever changing weather here in Missouri please be sure your student is dressed for the weather. We will do our best to get outside whenever the temp is above 40.

### SUGGESTION

Labeling your student's outerware (jackets, hat, etc.) with their name makes it much more likely they get it back when they leave it!
