MESSAGE FROM MRS. BEEM

Happy New Year! We hope you had a restful and joyful winter break. It has been wonderful to see our hallways filled with smiling faces and eager learners once again. As we settle into the second half of the school year, January is a pivotal month for checking in on student progress and setting goals for the months ahead.

This month, students will participate in our winter "benchmarking" period. These assessments are not high-stakes tests; rather, they are helpful tools that serve as a "check-up" at the doctor's office. They show us how much your child has grown since September and help teachers tailor their instruction to meet the needs of every student.

How can you help at home? You can help your child feel confident and ready by:

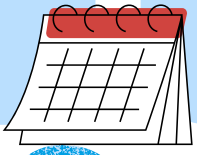

1. Prioritizing Sleep: Aim for a consistent bedtime to ensure they are well-rested.
2. Positive Encouragement: Remind them that these assessments are simply a way to show off what they've learned and that their only job is to try their best.

Thank you for being such vital partners in your child's education. Let's make 2026 a fantastic year of growth!

In Service,
Ms. Beem
