Overall Performance Details

This data represents how much students are learning in each grade and whether or not they are ready for the next grade. It also shows how well a school prepares their students for success after high school in college, the workforce, or the military. State accountability is based on three domains: Student Achievement, School Progress, and Closing the Gaps. Scores are scaled from 0 to 100.

Overall Performance Details

This data represents how much students are learning in each grade and whether or not they are ready for the next grade. It also shows how well a school prepares their students for success after high school in college, the workforce, or the military. State accountability is based on three domains: Student Achievement, School Progress, and Closing the Gaps. Scores are scaled from 0 to 100.
