

**ADMINISTRATIVE POLICIES OF THE
MILWAUKEE PUBLIC SCHOOLS**

ADMINISTRATIVE POLICY 6.08
HEALTH AND SAFETY

(1) Each employee must be physically and mentally able to perform the duties and responsibilities of his/her position and must be free of any condition or disease which may be detrimental to the health and/or safety of students or fellow employees, as determined by a licensed physician.

(a) Physical examinations to establish physical or mental fitness may be required of any employee, as deemed necessary by the superintendent.

(b) Certificates showing a satisfactory state of health for public school employees must be secured from an appropriate medical examiner as identified by the Board. Physical examinations required by the district shall be at the district's expense.

(2) The superintendent shall develop and implement procedures, subject to Board approval, concerning requirements for employee health examinations.
