

Course Selection for Senior year

Scheduling notes:

- Alternates must be different from initial choices.
- Select at least 5.5 credits. **Six** is the norm. More than 6 is subject to approval of advisor and Asst Principal for Academics.
- Co-curricular and work commitments are not circumstances to allow a course drop. Think about your time commitments outside of school (job; a varsity level sport; religious education program, such as Confirmation; Pre-College program; family responsibilities), including required service hours.
- Students cannot choose in which semester a class will fall in their schedules. Be sure that you want to be in that course either semester.
- Once courses are selected, changes strictly follow the withdrawal policy. By completing the course selection you commit to the courses you select.
- **Generally, students should not plan to take more than 3 AP/Honors courses in a semester.**
- Graduation requirements: Theo 4; Eng 4; Social St 3; Sci 3; Math 3; Wld Lang 2; Fine Arts ½; Add'l 3 **(MAKE SURE YOU HAVE ALL)**
