PARENTAL CHOICE TRANSFER REQUESTS (GRADES 6-8)

Dear Parents/Guardians:

The Moorpark Unified School District has made Choice an option in school attendance based on space availability. Students in the local residence area will have first priority for schools in their local community.

PARENTAL CHOICE TRANSFER PROCEDURES (Grades 6-8 only)

If you are interested in having your child attend a school outside of their regular attendance area, complete and submit the Parental Choice Transfer Request form located on the MUSD website. Parental Choice Transfer Request forms will be available online beginning January 20, 2026. The **application deadline is March 13, 2026**. Late applications may not be considered. If your child will be attending school in their regular attendance area, you do not need to fill out an application.

It should be noted that the District retains the authority to maintain appropriate balance. Final decisions will be made on space availability at each school site and the need to maintain balance throughout the District. You will receive confirmation of the status of your transfer request on or before May 1, 2026.

If your child was approved for a Parental Choice Transfer during the 2025–2026 school year, you do not need to reapply to remain at the same school. However, a student who is currently attending 5th grade under a School of Choice Transfer must submit a Parental Choice Transfer application if he/she is requesting to attend 6th grade at a middle school outside his/her regular attendance area.

If your child is currently on a Parental Choice Transfer and will not be remaining at his/her school of choice in the 2026-2027 school year, please notify the school office manager as soon as possible to request that your child return to his/her school of residence as space allows.
