Could you offer a work experience placement?

All of our Y10 pupils will be enjoying a week of work experience, 29 June – 3 July, and they are currently trying to source a placement. Could you, or someone you know, offer a placement for the week? This is a great opportunity to nurture young talent and potentially inspire someone about their future. If you would like to offer a placement or would like further information please let me know– caroline.foster@kingsmac.co.uk Many thanks.
