INFORMATION NIGHT

JANUARY 12, 2026

FORSYTH COUNTY SCHOOLS

WHAT IS DUAL ENROLLMENT?

GAFutures Dual Enrollment Overview

WHAT IS DUAL ENROLLMENT?

Opportunity for 11th & 12th Grade students to earn high school & college credit at the same time (10th graders eligible based on SAT/ACT scores)

Tuition free opportunity

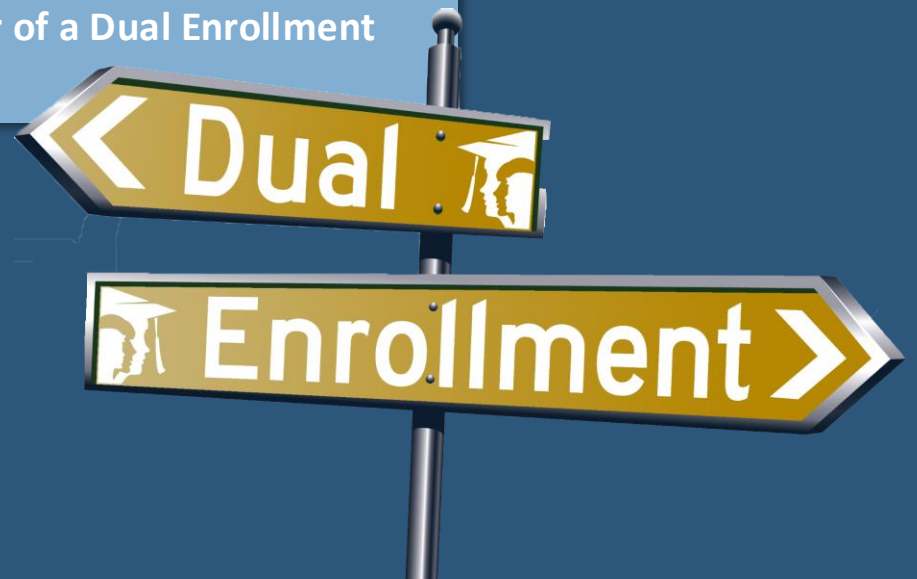
30 hour college credit limit

Does not count against a students HOPE hours

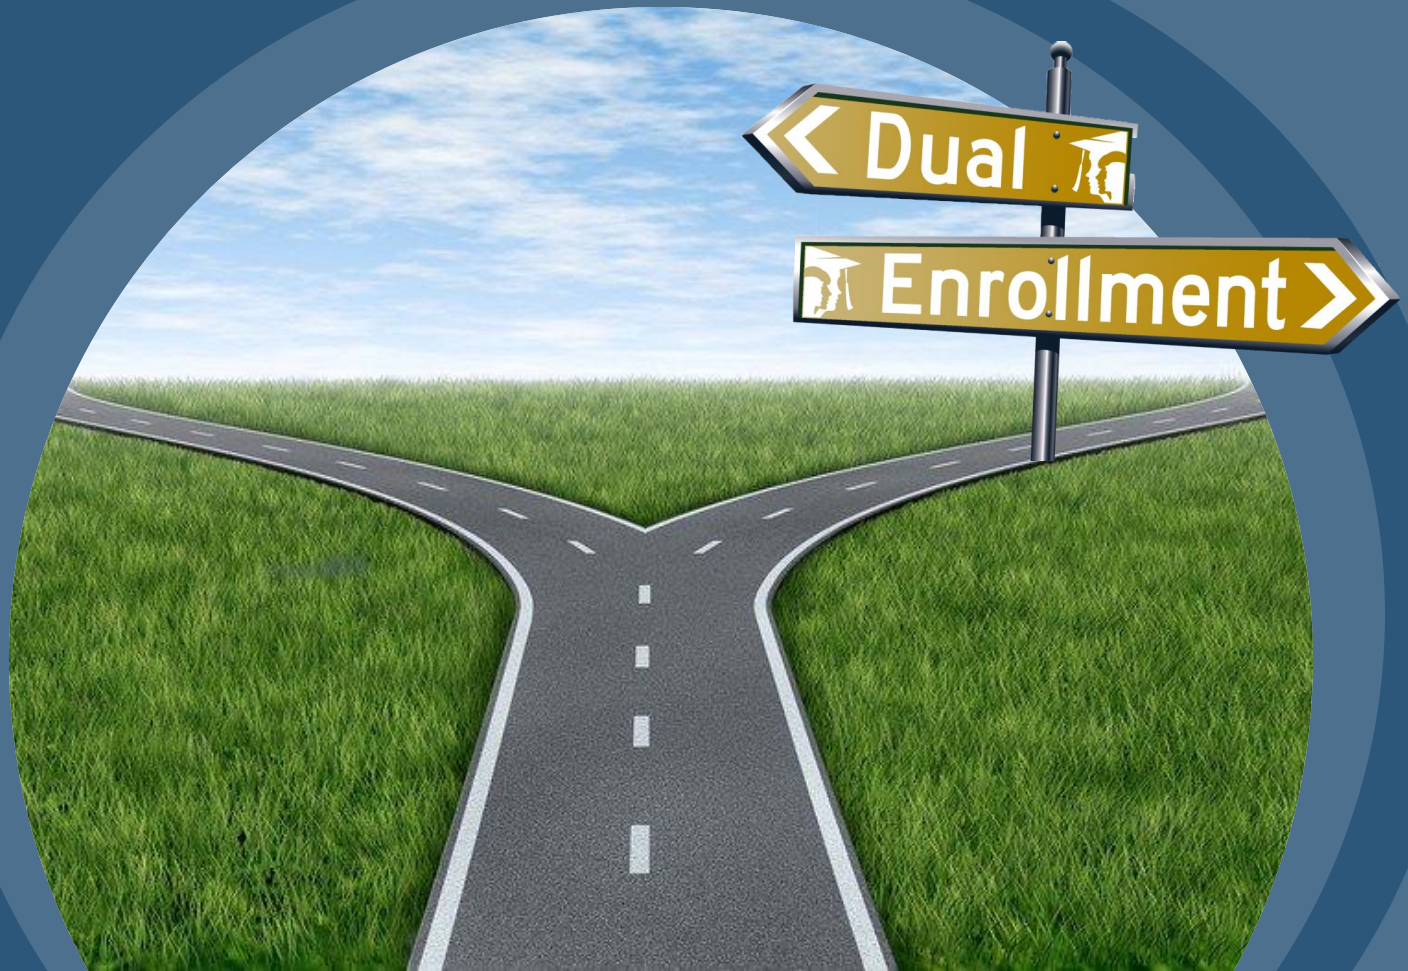
Offered fall, spring and summer terms

One full high school credit is earned in a semester of a Dual Enrollment class.

Students can only take DE eligible courses



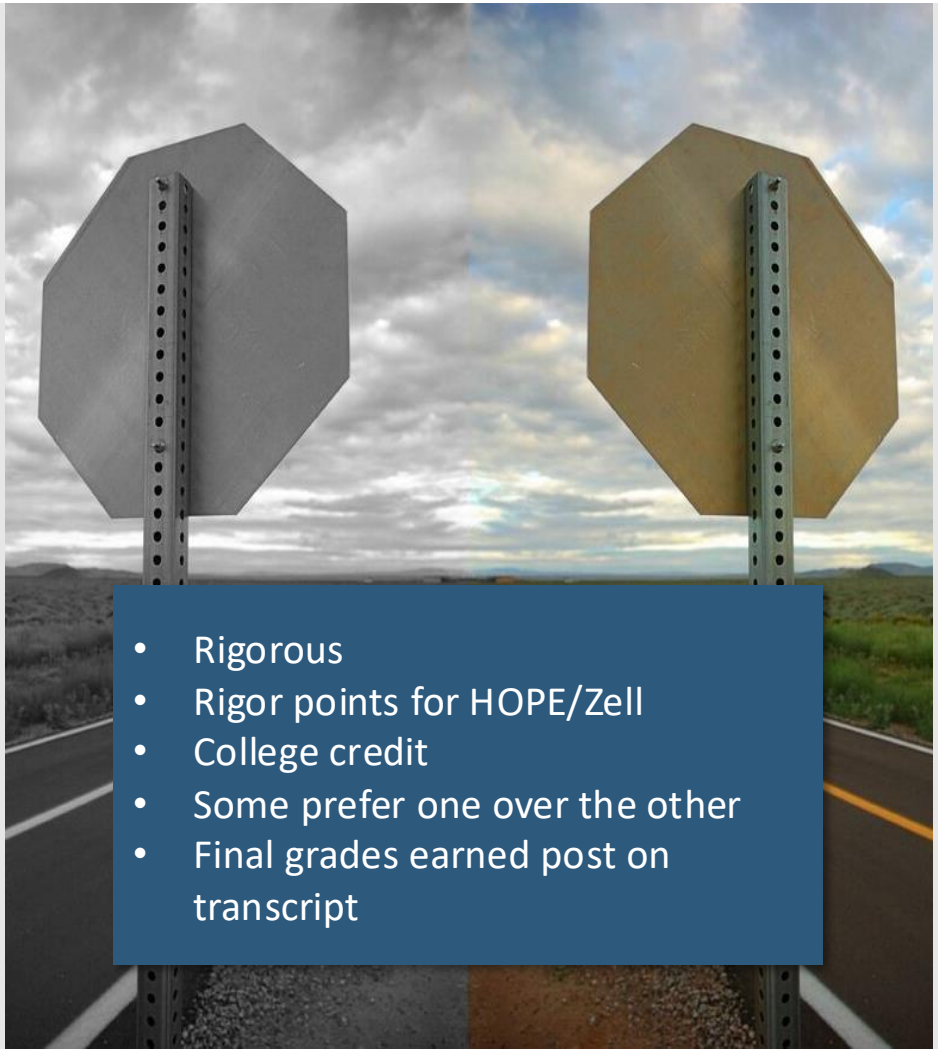
IS DUAL ENROLLMENT RIGHT FOR YOU?



AP VS. DUAL ENROLLMENT CONSIDERATIONS

AP COURSES

- National standardized curriculum
- Take a test in May to receive college credit
- Can take at the high school
- No need to relocate
- No age requirement
- Most universities (in/out state) will accept the credit
- Year-long courses
- More options for support in school
- Not available in the summer



- Rigorous
- Rigor points for HOPE/Zell
- College credit
- Some prefer one over the other
- Final grades earned post on transcript

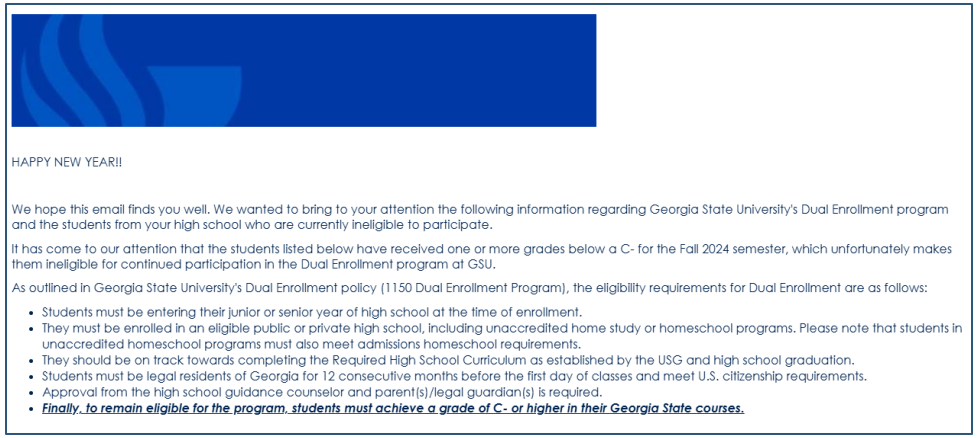
DUAL ENROLLMENT

- Not a standardized curriculum (college-based)
- Attend courses at the institutions or online
- Follows the college/university calendar (NOT FCS)
- All public universities in state will accept the credit
- Not all out of state universities will accept the credit
- Quarter/Semester long courses
- Less access to HS support
- Passing grade is a D
- Withdrawal posts (59) on high school transcript
- Retakes not available
- Summer available with no recovery option

POTENTIAL DRAWBACKS TO CONSIDER

CONSIDERATIONS

- Out-of-state and private colleges may not accept earned college credit
- Due to FERPA Privacy Laws, colleges cannot talk to parents about grades or attendance. Students must be responsible & motivated.
- There are major consequences to failing a Dual Enrollment class and all grades are required to be posted on your transcript.
- Students are managing two worlds - high school and college. *School breaks do not align; testing schedules may overlap.*
- The high school has no control over college grading, professor communication, college registration parameters, or college course scheduling.



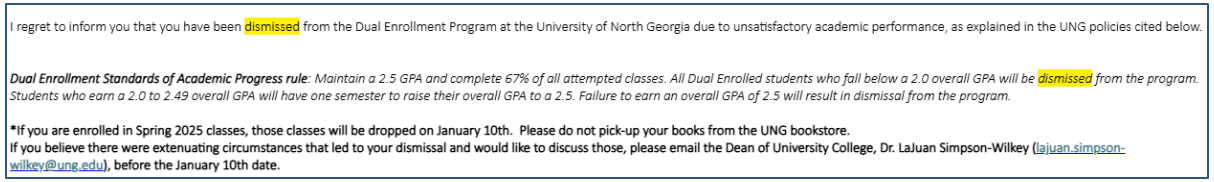
HAPPY NEW YEAR!!

We hope this email finds you well. We wanted to bring to your attention the following information regarding Georgia State University's Dual Enrollment program and the students from your high school who are currently ineligible to participate.

It has come to our attention that the students listed below have received one or more grades below a C- for the Fall 2024 semester, which unfortunately makes them ineligible for continued participation in the Dual Enrollment program at GSU.

As outlined in Georgia State University's Dual Enrollment policy (1150 Dual Enrollment Program), the eligibility requirements for Dual Enrollment are as follows:

- Students must be entering their junior or senior year of high school at the time of enrollment.
- They must be enrolled in an eligible public or private high school, including unaccredited home study or homeschool programs. Please note that students in unaccredited homeschool programs must also meet admissions homeschool requirements.
- They should be on track towards completing the Required High School Curriculum as established by the USG and high school graduation.
- Students must be legal residents of Georgia for 12 consecutive months before the first day of classes and meet U.S. citizenship requirements.
- Approval from the high school guidance counselor and parent(s)/legal guardian(s) is required.
- ***Finally, to remain eligible for the program, students must achieve a grade of C- or higher in their Georgia State courses.***



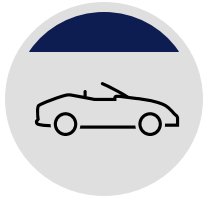
I regret to inform you that you have been dismissed from the Dual Enrollment Program at the University of North Georgia due to unsatisfactory academic performance, as explained in the UNG policies cited below.

***Dual Enrollment Standards of Academic Progress rule**: Maintain a 2.5 GPA and complete 67% of all attempted classes. All Dual Enrolled students who fall below a 2.0 overall GPA will be dismissed from the program. Students who earn a 2.0 to 2.49 overall GPA will have one semester to raise their overall GPA to a 2.5. Failure to earn an overall GPA of 2.5 will result in dismissal from the program.*

***If you are enrolled in Spring 2025 classes, those classes will be dropped on January 10th. Please do not pick-up your books from the UNG bookstore.**
If you believe there were extenuating circumstances that led to your dismissal and would like to discuss those, please email the Dean of University College, Dr. LaJuan Simpson-Wilkey (lajuan.simpson-wilkey@ung.edu), before the January 10th date.

LETTERS OF DISMISSAL

A GOOD DUAL ENROLLMENT STUDENT IS…



Transportation

Has reliable transportation to move from one school to another

College Transcript

Ready to start building college GPA

Independent

One who can learn and work well on their own

Resourceful

Have the ability to advocate for themselves and find answers

Intelligent & Mature

Has the aptitude to succeed & be able to prioritize their time effectively to meet deadlines

Driven

Self-motivated to succeed

Organized

Must be able to keep up with applications & deadlines

Number of courses required for scheduling:

- ***Seniors must take 4+ classes and Juniors must take 6+ classes***
- ***Registration for courses differ by college***

FCS DUAL ENROLLMENT APPLICATION DEADLINE

APRIL 24, 2026

Preferred Colleges/ Providers

Lanier Technical College

University of North Georgia

Georgia State University

Georgia Institute of Technology

THESE COLLEGES ARE PREFERRED PARTNERS BECAUSE THEIR PROXIMITY ALLOWS FORSYTH COUNTY STUDENTS EASY ACCESS TO IN-PERSON OR VIRTUAL CLASSES AND CAMPUS RESOURCES SUCH AS TUTORING, WRITING LABS, PROFESSOR OFFICE HOURS, AND MORE.

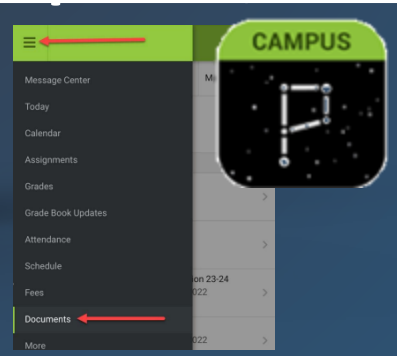
Part 1: FCS DE PROCEDURES

- Research College Admissions Requirements.
- Apply to the College and send in all required documents.
- Take SAT, ACT, PSAT, or Accuplacer if required by college and submit scores.
- Request high school transcript on Parchment to be sent to college.

Infinite Campus Parent Portal

Intent to Participate

DUE: April 24, 2026



MORE INFORMATION COMING SOON

Part 2: HS ADVISEMENT

After Applying:
Monitor personal email and college account for acceptance.

Go to your high school Dual Enrollment webpage for next steps on Course Advisement.

This is required for course selection.

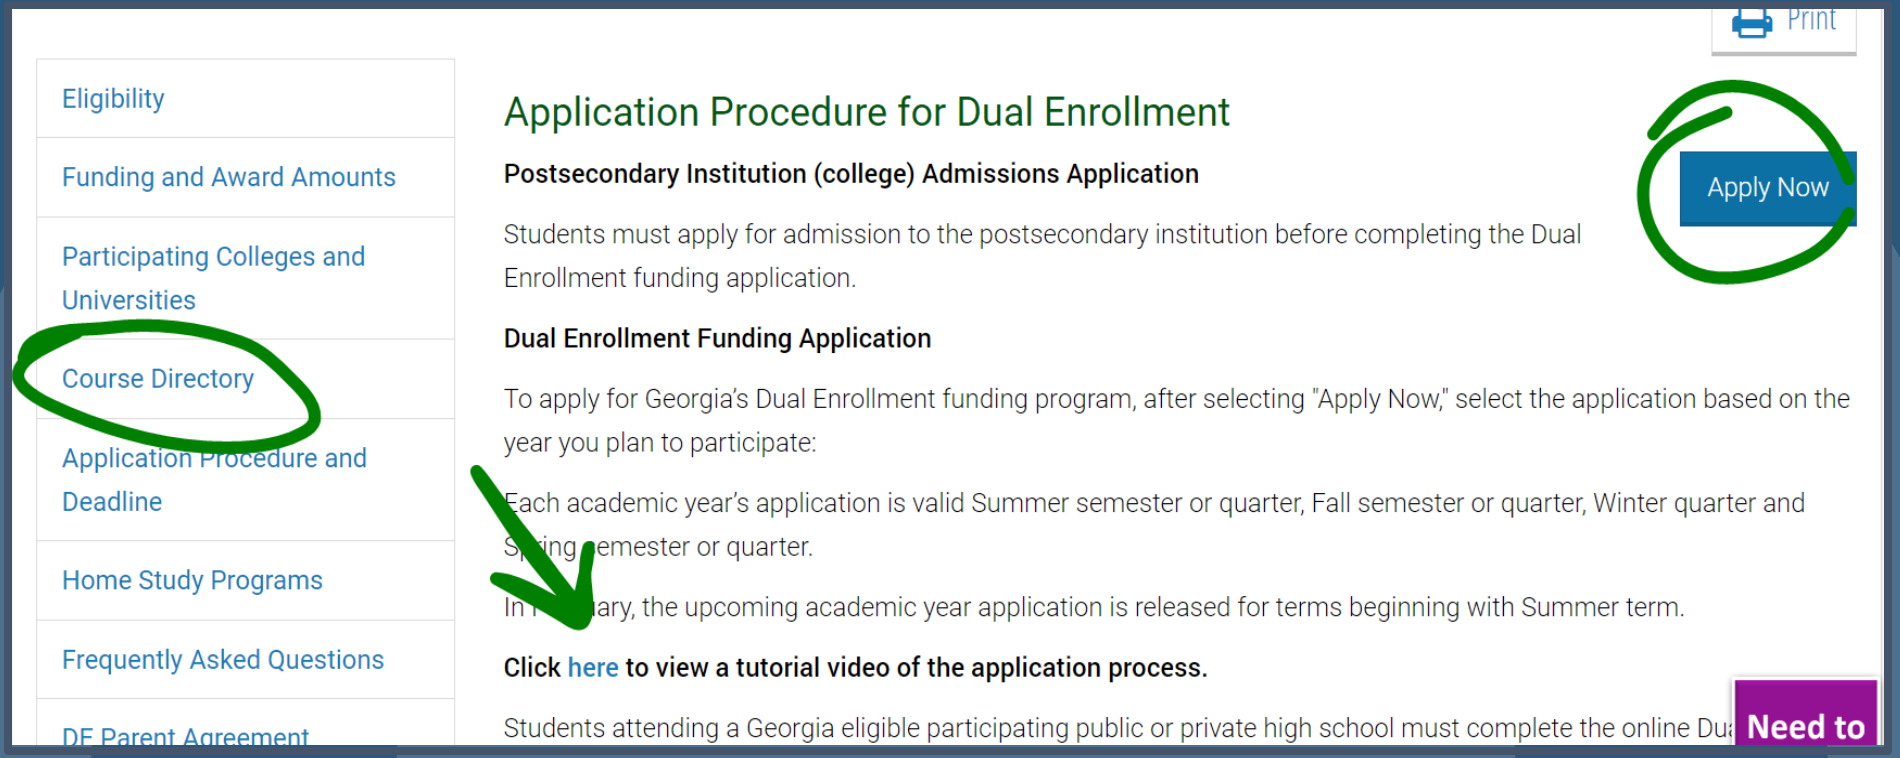
WEST FORSYTH High School

REVIEW COURSES

Review eligible courses on the Course Directory prior to meeting with your high school counselor or college Dual Enrollment advisor. The course directory is on www.gafutures.org.



CONSULT THE DE ADVISEMENT GUIDE

Available this week on all high school Dual Enrollment websites.

Explore DE questions such as:

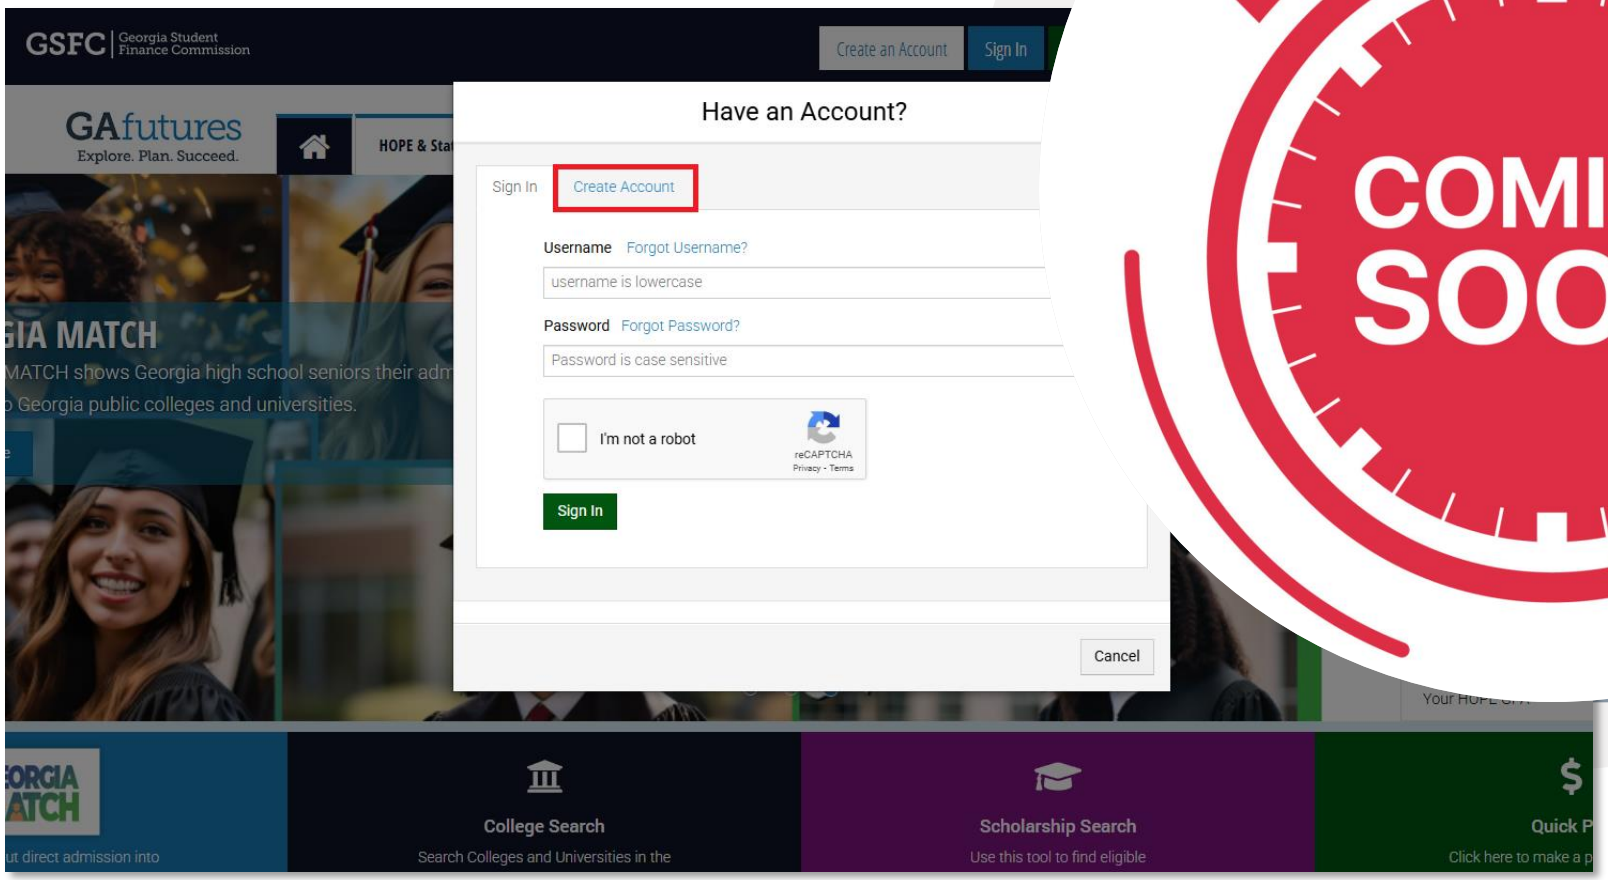
- Trying to earn core college credit now to save time and money? Align your choices with the Core Impact requirements. (page 7).
- Wondering about the most common Dual Enrollment courses our students take that may satisfy high school graduation requirements? (page 9).
- Want to know what technical college courses will transfer to in-state 4-year college and universities? (pages 10-12).
- Need advice on which Dual Enrollment math class is best based on what college major you intend to pursue? (pages 13-16).
- Looking for science course recommendations based on college major? (pages 17-18).

Summer Courses

Consider taking non-graduation requirement courses

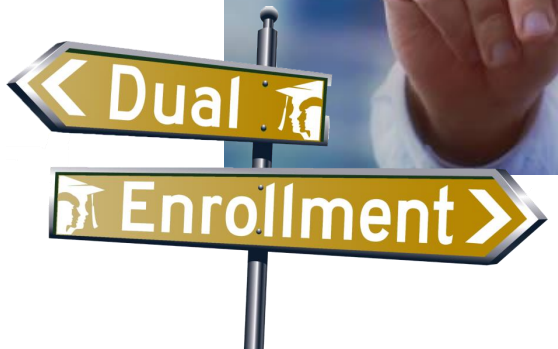
GAFUTURES

- **Create an account on GA Futures and complete the funding application.**
- **www.gafutures.org**



NEXT STEPS: RECAP

Parents – Available in early Spring	
✓	Compete the FCS Intent Form on Parent Portal – due April 24, 2026
✓	Sign the GAFutures Parent Participation Agreement



Students	
✓	Create a GAFutures Account
✓	Apply to the college/university
✓	Send PSAT/ACT/SAT scores to the college/university. Send transcript via Parchment to the college/university.
✓	Check personal email address and college portal often for updates and next steps.
✓	Research courses in Gafutures.org Course Directory. When available, complete funding app on GA Futures.
✓	Follow HS next steps for DE

GO TO HIGH SCHOOL WEBSITE FOR NEXT STEPS.

CAREER & INDUSTRY TRENDS

Georgia – Top State for Talent Act

The Top State for Talent Initiative better aligns education and workforce development with Georgia's current and future industry needs.

This initiative both fosters and requires collaboration between education and workforce to streamline pathways through education to access: High Demand, High Skill, and High Wage careers.
