Dear Mr. Kaplanes:

Intertek conducted a telephone interview with the qualified winning bidder of the asbestos abatement work for the Community Consolidated School District 15, for the Conyers Learning Academy flooring tile abatement project. The interview was conducted with Omega III LLC regarding the acceptance of the Lump Sum bid of the Phase I and Phase II projects with the Abatement Cost (\$132,900). Based on the interview, Intertek feels confident that Omega III LLC can perform the work according to the specifications and within the time frame set forth by Community Consolidated School District 15.
