Credits Earned in required courses and elective courses		Grand Total:	

*****Subject to change due to recently modified legislative changes***

Electives

Elective credits can be earned in a few different ways:

1. Credits earned through other subjects (ex: World Language, Art, Business, etc.)
2. Credits within listed subjects that are NOT required for graduation (Enviro. Science, Psychology, etc.)
3. Credits earned within core classes that go above and beyond the listed requirements (extra social studies elective, extra science elective, etc.)

****The total number of required core subject credits and elective credits needs to be 55 or higher in order for a student to meet our graduation requirements.**
