Enrollment Worksheet

Interested in being part of the IB Diploma Program? Recommendations and considerations below for your high school career.

Recommendations for enrollment during 9th and 10th grade year:

Complete required electives

- Financial Literacy (0.5)
- Health (0.5)
- Physical Education (0.5)

Complete at least one year of:

- World Language (required)
- Honors Sciences (strongly recommended)
- Honors ELA course (strongly recommended)

Considerations for enrollment in your 11th grade year:

*****If you are interested in being part of the IB Diploma Program, please reach out to Mrs. Landry (elizabethlandry@smsd.org) to schedule an enrollment meeting January of your 10th grade year*****

Diploma Candidates must choose:

- 1 course from each of the Groups 1-5
- 1 course from Group 6 **OR** an additional course from any other group.
- At least 3 HL course (no more than 4)

Keep in Mind:

- Students interested in IB Program are expected to contact Mrs. Landry (elizabethlandry@smsd.org) to schedule an enrollment meeting.
- **Theory of Knowledge** is a course you are in during seminar that includes readings, papers, assessments, projects, etc.
- As a building, we make every effort to keep Non-IB classes in students' schedules. However, sometimes choices have to be made.
- Typically, only one year long elective will fit in your schedule each year. Semester courses are easier to schedule.
 - Programs at the CAA are unavailable
 - Fees are a fixed cost for diploma students that are split over the two years of the program.

Course Candidates can choose:

- Between 2-4 IB courses
 - If interested in 5, consider diploma
- Can enroll in AP courses while taking IB courses.

Keep in Mind:

- Some courses will be a two year commitment.
- Fees are determined by the number of course sequences you enroll in. Cost is split over the two years.
- Can get IB Certificate that shows distinction for Resume, College Applications, etc. with successful completion of the sequence (1 or 2 years) of the course.
- Tests are taken at the end of the course sequence.
 - Additionally each course has a variety of assessments (oral exams, papers, experiments, etc.) that are part of final IB Score.
- Better option for students considering taking courses at the CAA

Considerations for enrollment in your 12 grade year:

*****Please schedule an enrollment meeting with Mrs. Landry (elizabethlandry@smsd.org) during January of your 11th grade year to complete enrollment*****

Diploma Candidates:

- Some courses are completed during Junior year to allow for more flexibility senior year.
- Senior Year is demanding - consider taking enjoyable classes that will help balance your schedule or workload.
- IB does not offer make-up testing days. The day/time of your test is non-negotiable

Course Candidates:

- Some course sequences will continue or start during your senior year.
- IB does not offer make-up testing days. The day/time of your test is non-negotiable.
