Board Member Election Process

January 1 until February 28 is DaVinci Academy's board member recruitment window. Our Board of Directors is composed of parent and community members. Community members are appointed by the DaVinci Board of Directors, while parent members must go through the election process. Board members serve two year terms that can be renewed up to three consecutive terms.

Each January, the DaVinci Board of Directors posts the number of open parent member seats subject to re-election. Interested candidates are then invited to run for these open parent member seats. To qualify, a candidate must be a parent of a current or future-enrolled DaVinci student and be able to pass a criminal background check. Please note that according to Board bylaws section 4.14 any direct relative of a DaVinci Academy employee is not eligible to serve on DaVinci's Board of Directors.

Background checks will be completed by DaVinci Academy once the board packet has been turned in. Each candidate must obtain 100 signatures from current DaVinci parents and must submit a biography and purpose statement (reasons why he/she is running) to the board secretary by the end of February.

This packet contains all the forms needed to submit to the board secretary. The school will conduct an electronic election in May. The top vote getters upon the successful completion of a background check will be admitted to the Board of Directors.

If you have any questions about how to advertise your candidacy, please contact the Executive Administrator—Simon Post at 801-409-0708. He will explain where you can place flyers, posters, and/or signature sheets at all locations of DaVinci Academy.

Thank you for your interest in running for a parent-member seat on the DaVinci Academy Board of Directors and we wish you the best of luck.
