

Traffic Advisory: H.B. Mattlin Middle School

January 15, 2026

Dear POB School Community,

We want to acknowledge that traffic conditions in and around H.B. Mattlin Middle School yesterday evening were challenging for many in our community. The Plainview-Old Bethpage School District was proud to host more than 500 Nassau County student musicians as part of preparations for the *Nassau County All-County Music Festival*. While this is a meaningful opportunity that reflects our commitment to the arts and regional collaboration, we recognize that the large number of visitors impacted local traffic.

**Please note:** Traffic is expected to be impacted again during upcoming rehearsals. We have coordinated with the Nassau County Police Department to assist with traffic flow during the following times:

- Friday, January 16: 3:30 p.m. – 8:00 p.m.
- Saturday, January 17: 8:00 a.m. – 12:30 p.m.

Community members may wish to avoid the immediate area around H.B. Mattlin Middle School at the beginning and end of each session, when traffic is expected to be heaviest.

We appreciate your continued cooperation and value our partnership with our neighbors as we host District and countywide events and thank you for your patience and understanding. Please know if there is a safety issue of which we may not be aware, please email us at [pobsafe@pobschools.org](mailto:pobsafe@pobschools.org).

Sincerely,  
Dr. Mary O'Meara  
Superintendent of Schools
