

Emmett Middle School
Board Report
January 2026

Our EMS band joined the high school choir, orchestra, and band programs in our Christmas concert. We received many positive comments from the community about their outstanding performances!

The EMS Drama students performed in Disney's "Dare to Dream." The students worked hard on the production and made us proud!

2nd Semester: Our counselors and teachers have been busy placing students in the appropriate classes for 2nd semester. Students in need of additional academic support are scheduled in math and/or ELA skills labs.
