Behavior and Positive Behavioral Intervention Support (PBIS) and Important Dates
- During the February Professional Development day, our True North Mentor, Bonnie Sewall, will be the facilitator in presenting the RULER Approach to all of the secondary schools.
- The secondary schools' book study for the second semester will be Permission to Feel (2019), which establishes why emotions matter and introduces a common language and

framework (RULER) so people and institutions (schools, families, workplaces) can build an emotionally intelligent culture. (Marc Brackett)

Highlighted Individuals
- Cambria Valdez, a student of True North Prep. Cambria was selected by True North Prep staff as a student who exemplifies the True North Prep Creed. She serves on the student yearbook team, consistently demonstrates strong academic performance, and models genuine care and respect for others in our school community.

Community School Update for SY 25/26 True North Prep
December 2025 Update
- On December 11th, 2025, we had a community bonfire/Christmas movie, and it was a huge success. The community came out and supported our school. There were suggestions, and friendships were made.

True North Prep Community School's Grant Focus
- This school year's focus:
  - Academic Growth
    - Math Tutor goal: To increase school ISAT scores by 5%.
  - Family/Student Engagement
    - Providing after school clubs twice a week
      - The club will be offered to all students, and if a student attends 70% of the time, they are able to attain an elective credit towards graduation.
      - Twice a month, we will be doing a make and take class where students will be prepping dinner to take home for the family. Parents will be invited and encouraged to attend.
    - Providing engagement opportunities for family and students:
      - Ex: Business coming in and doing demos on how to change a tire, do taxes, fill out an application, CPR, and Babysitting classes

Assessments and Data
- True North students will be taking the Shortened Interim Comprehensive Assessments (SICA) at the beginning of the 3rd quarter. The data from the SICA will be used to Implement Dedicated Tier 3 Academic Labs. The new High School Reading Lab and High School Math Lab will meet 3 days a week during Focus period and will replace the current Focus period format. This schedule will give students more learning time with fewer interruptions, so the extra help they receive is consistent and effective.

Past events

- 12/10/2025 - True North visited the College of Western Idaho to learn about career technical education programs.
- 12/11/2025 - True North Community Bonfire and Christmas Movie

- 12/11/2025 - Our After School Student President spoke to the Rotary Club.
- 12/16/2025 - Natasha Palmer delivered gifts that were donated by the community to our students at True North Prep.
