## 2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2025-26 School Description and Mission Statement

Grayson Elementary is a K-6, Dual-Language Immersion (DLI) Program, which is a 50/50 program, located in Westley, CA. Enrollment averages 270 students, the enrollment does depend on our migrant population. Enrollment consists of 98.9% Hispanic, 94.7% Socioeconomically disadvantaged, and 78.9% English Learners.

### VISION:

The Grayson School staff is dedicated to continual personal and professional excellence. Our Dual Language Immersion Program challenges our students to the highest levels of academic excellence. Our students are educated to be fully bilingual / biliterate participating citizens and leaders of the 21st century. With the unique partnership among parents, members of the community, and school staff, students learn to appreciate and understand the value of each individual as an essential part of the total community.

### MISSION:

As a team, we will create a safe and supportive environment where all students excel academically in both English and Spanish. We are committed to nurturing each child's unique potential, preparing them for college and career readiness and success in a diverse and ever-changing world.

### District Vision:

PJUSD Promise: Unlocking Potential - Empowering Lives

Core Values: Integrity-Perseverance - Inclusivity - Innovation-Excellence

### Focus Areas:

**Academic Achievement:** Fostering student achievement is a central focus of the PJUSD Promise. It is our goal to ensure students are supported with rigorous academic experiences in both English and Spanish, that prepare them to be college and/or career-ready upon graduation.

**Student and Staff Safety and Wellness:** Safety and wellness are essential components of an environment that is conducive to teaching and learning. PJUSD Promise fosters a culture that promotes the emotional health, safety, and well-being of students

## 2025-26 School Description and Mission Statement

and staff. We will cultivate an environment that fosters mutual respect among students, staff, and educational partners.

**Facilities and Resources:** The PJUSD Promise effectively maximizes resources to support every student's educational journey. We are committed to ensuring excellence in every interaction and providing students and staff with the necessary resources to achieve the district's strategic plan.

**Communication and Collaboration:** The PJUSD Promise is to provide effective, meaningful, and concise communication among our schools, parents, staff, and community. Such communication creates and maintains positive relationships both within and outside our district. PJUSD strives to provide its schools, parents, staff, and members of the community with a consistent stream of communication that is transparent and easily accessible to all.

**Employee Success and Leadership Development:** The PJUSD Promise is to provide staff with support and leadership opportunities. We will strive to attract, train, and retain employees as well as develop strategic leaders who embrace the vision and values of our district.

## School Facility Conditions and Planned Improvements

Grayson School was constructed approximately 75 years ago and renovated approximately 21 years ago. The school consists of a main administrative office and two classroom wings with four classrooms per wing. In addition, ten portable buildings accommodate additional classrooms including a preschool, library, and additional classrooms. The campus includes a regulation-size soccer field, a volleyball net, and basketball courts. Grayson School provides a clean, safe learning environment. Yard duty supervisors consist of classified and certificated employees who monitor the school on a daily basis before, during, and after school. The restrooms are clean, including sinks, stalls, and soap dispensers, and all of the urinals and toilets are in working condition. An eight-hour day custodian and a six-hour night custodian keep the facilities clean. Repairs and maintenance are done as needed. Minor repairs are handled by the day and night custodian. Our custodial staff diligently works to keep our school clean, safe, and graffiti-free. Two disabled parking spaces have been added to the parking lot.

Major repairs are deferred to the District maintenance crew. Maintenance Projects:

During the Summer of 2021 two additional portables were added to campus in order to house our 6th grade students that are now remaining on the elementary campuses. A cinder block wall was removed to give better sight lines of the new classrooms, restrooms and courtyard to improve safety. There was also a new playground structure installed for the 3rd-6th grade students incorporating music and obstacle courses. In the Summer of 2020, the office was completely remodeled to include a new office

## School Facility Conditions and Planned Improvements

entrance to access the campus, and a new gate was also installed in order to secure the campus during school hours. Outdoor picnic tables were added to allow students outdoor seating and allow for social distancing. There is also a new shade structure with more tables that was completed in March of 2021.

Recently November, 2024, a water pipe broke and needed repair. A special board meeting was held on 11/18/2024 to address the water concerns at Grayson Elementary. Resolution 11182024-A was passed by the school board so the needs of the facility can be addressed.

In the summer of 2025, a new library facility was added. Updated lighting in the front of the school and towards the back. Some work was done in December 2025, to the sewage line.

Non-drinkable is still an issue

Water project is still needed to be completed Spring or Summer of 2026

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

<b>Mathematics</b> (grades 3-8 and 11)	10	16	17	19	35	37

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

All families are encouraged to become informed and actively involved. We invite everyone to attend our Back-to-School Night, Kindergarten orientations, Open House, informational meetings, School Site Council, and English Language Advisory Council, quarterly meetings with the Counselor. Our Parent Volunteers help support our events by volunteering their time and items. Our School Site Council team is elected by the school community and staff, and their role is to discuss and develop our School Plan for Student Achievement. This Spring, we will have the PIQE organization come to ur site and virtually on reading strategies.

## 2025-26 School Safety Plan

Grayson Elementary School has conducted and created a comprehensive school safety plan that follows District and school policy. The Safety Plan was recently reviewed/updated in November and December 2025 and was Board-approved on February 2026. Monthly Fire drills and other safety drills ensure orderly responses by teachers, staff, and students in such an event. In addition, teachers are trained in safety procedures for a “Lockdown” event.

Grayson has also increased supervision before and after school. Our annual school climate survey consistently indicates that students (and teachers) feel safe at school. Grayson strongly promotes PBIS and positive social interactions between students on the playground, in the classroom, and in the cafeteria. Our “Cougar in Action” recognizes students who are following our school rules of Respect Others, Offer Kindness, Act Responsibly, and Remember Safety.

## Fiscal Year 2024-25 Types of Services Funded

These programs and supplemental services are provided at the school either through categorical funds or other sources that support and assist students: English Learner programs, including English Language Development (ELD) and supplemental materials for support of English Learners and students of low socio-economic status. This includes extra books for in-class libraries and books to support Social Emotional Learning and diversity. The iReady online Reading, Math, and Spanish program is used as an individualized intervention and enrichment program depending on the level of each student. Grayson elementary has a intervention block for different grade levels. The intervention room has a credentialed teacher and three paraprofessionals who use SIPPS and/or Corrective Reading.

Starting this year 25-26, Grayson is in the 2nd year of implementing the 95% Group, core material to use with the Wonders program.

Grayson has a full-time counselor that supports student's social emotional and academic needs. The counselor does class presentations that reflect on the PBIS characteristics of the school, she has done restorative circles and PBIS activities. Grayson has a full-time Literacy Coach, grant-based funded.

## Professional Development

District Professional Development:

Professional development activities are delivered through after-school workshops, professional development days, early release days, conference attendance, and individual mentoring. In addition, demonstration lessons and peer observations are held throughout the year. A district-wide professional development day was held on November 1, 2024, in a conference format, where staff were provided a variety of trainings. The focus of professional development activities is determined by reviewing student academic progress, district initiatives, and site needs. Major focus areas in being focused on are reading, a variety of teaching strategies, and student engagement.

To assist all staff members with implementing new skills, 6 teachers on special assignment are identified in the areas of elementary education, secondary education, technology, English language development, and new teacher support. Site administrators also provide staff development through classroom walks, targeted site-specific topics, and assistance for individual teachers.

In addition, staff members also attend off-site professional growth activities to strengthen their skills in the content areas through county, regional and Statewide training.

Site Specific Professional Development:

We have provided staff development to our staff in PLC, small groups instruction and reading.

The focus was on reading intervention, student engagement and EL strategies.

We continued more in-depth training reading strategies, intervention and use of data (PLC). We continue to look for ways to support our staff with curriculum and instruction to improve student achievement through improving instructional practices.
