Incoming Ninth Grade Registration
2026-2027 Fall Sports Information

Welcome to Raider Athletics! There are many athletic opportunities to get involved with here at CDH. We offer 28 different sports with various levels of competition. Our fall sports include Girls and Boys Cross-Country, Football, Performance Dance, Girls Tennis, Girls Swim and Dive, Boys Soccer, Girls Soccer, Girls Volleyball and Boys Volleyball.

We encourage ninth graders to get involved in our Summer Strength and Conditioning programs. Strength and Conditioning improves overall fitness, preparing athletes for CDH sports, and allows you to meet new friends. Please visit our website at https://www.cretin-derhamhall.org/student-life/athletics for more information.

All fall teams start practice/tryouts **Monday, August 17, 2026**

We will host a Fall Sports Informational meeting Monday, July 27th (Joe Mauer Field House) where we will go over all of the admin information as a larger group and then all fall sports parent/athlete meetings broken out into specific teams. Attendance at these meetings is strongly encouraged, as many important topics will be covered, including: team policies, tryouts, and coach expectations.

We utilize Final Forms for all athletics and activities registration. This site require one-time set-up for all pertinent forms and communication and your student's file will be updated by the time of the meeting on the 27th. Here is the link to all the registration info. https://www.cretin-derhamhall.org/athletics/registration

All student/athletes are required to submit a **Minnesota State High School League (MSHSL) Sports Qualifying Exam** in order to participate in athletics. MSHSL forms can be found on the CDH Athletics Registration site and are valid for three years.

Please contact Athletic Director Matt Funk if you have any questions:

Phone: 651-696-3384
Email: mfunk@c-dh.org

We look forward to welcoming you in to the Cretin-Derham Hall Athletic tradition!
