CRIMINAL JUSTICE ACADEMY

at University High School

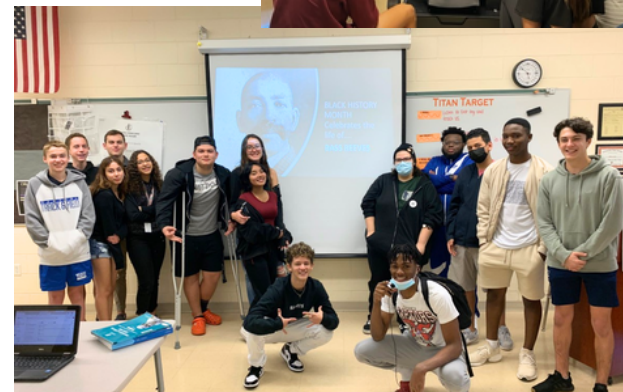

In the Criminal Justice program students will learn various elements of the criminal justice system: law enforcement, corrections, dispatch, forensics, and law. The students will be introduced to academic and practical applications of police operations and procedures, investigations and forensic science, and legal systems. The program includes a combination of academic studies, research projects and hands-on skill development with certifications in CPR/First Aid.

Skills of fire extinguisher, K-9 presentations, and various guest speakers makes this program a dynamic course of study.
