Counseling caseloads are balanced every July to ensure even distribution. Official caseloads for the 2026-2027 SY will be released in July 2026.

Students/Parents should email their **MIDDLE SCHOOL COUNSELOR** during the Spring Registration window for questions.

WHAT DO COUNSELORS DO?

Communication Advocates

Counselors are in a unique position to help you establish positive communication with your teachers, coaches, and administrators.

Academic Coaching

Counselors help you make informed decisions about your academic future based on data.

Post-Secondary Planning

Counselors can help you explore resources to help match your skill set to the perfect post-secondary option for you.

Social Emotional Support

Counselors are available to offer support in difficult times of grief, anxiety, and more.

WHAT DO COUNSELORS NOT DO?

Parking

Counselors have zero influence or power in resolving parking issues.

Attendance

Attendance issues should be handled with the front office.

Discipline

Counselors are not part of the disciplinary process. This is handled by the grade-level AP.

Extensive Social Emotional Counseling

Your school counselor can absolutely refer you to appropriate resources if your student needs this type of support.

How to Make a Counseling Appointment

Students: MHS Website > Academics > Counseling > Book a Meeting

Parents: Email Assigned School Counselor

GPA: GPA stands for Grade Point Average. Fulton County Schools (FCS) calculates a cumulative GPA. This is the average of every grade on the transcript calculated by taking the final grades from every class listed on the transcript and dividing by the total number of classes given. The FCS GPA is on a 100.00 scale (i.e., 87.963). A final grade is awarded at the end of every semester.

• **Different Types of GPA Calculations:**

- Core GPA: Only grades from English, Math, Science, Social Studies, and World Language
- Weighted GPA: FCS awards 7 honors points to passing final grades in Honors, AP, & Dual Enrollment courses
- Unweighted GPA: Grades without Honors/AP/DE points
- HOPE/Zell Scholarship GPA: Core, unweighted GPA with only 9-12th Grade credits to qualify for in-state scholarship

Failing Grades: When a student fails a class, the failing grade will remain on the transcript and is included in the GPA calculation. Upon successful completion of credit recovery, the new credit recovery grade will also be posted on the transcript and be included in the GPA calculation. Credit recovery options will be discussed with the school counselor to determine the best plan for the student.

Credits: A student earns 0.5 credit for every semester class that they pass. A final grade is awarded at the end of every semester. If a student passes a yearlong class, they will earn 1.0 credit. Students must earn 23.0 specific credits to meet graduation requirements. See the Milton Counseling website for more information:

<https://milton.fultonschools.org/academics/counseling/academic-advisement/graduation-requirements>

Elective: This is the equivalent of a connections course in middle school. Students need specific electives to graduate (see graduation requirements linked above) and they do count towards the GPA calculation.

Prerequisite: A class that must be taken before another class. For example, Intro to Art must be taken before any other art class, therefore, it is a prerequisite for all other Art courses offered at Milton.

Grade Promotion: Per FCS Board Policy, students must earn a certain number of credits each year to be promoted to the next grade level.

- 10th: 5.0 credits
- 11th: 11.0 credits
- 12th: 17.0 credits
- Graduation: 23.0 credits

HOPE GPA: GPA's for the HOPE and Zell Miller Scholarships are calculated by averaging all core academic courses (English, Math, Science, Social Studies, and World Language) taken in high school, including failed courses. Grades from high school courses taken in middle school are not calculated in the HOPE GPA. The HOPE GPA is on a 4.0 scale and is calculated by the Georgia Student Finance Commission and is viewable by creating a student account at [Gafutures.org](https://gafutures.org). Students will need to meet additional academic requirements for the scholarship. See the Milton Counseling website for more information:

<https://milton.fultonschools.org/academics/counseling/college-and-career/hopezell-miller-scholarship>

AP: AP stands for Advanced Placement. These are standardized college-level courses offered by the College Board. Students have the opportunity to earn college credit by taking the AP exam at the end of the year.

Dual Enrollment or 'DE': A state-funded program that provides high school students the opportunity to earn high school credit and college credit. Students can experience college courses and begin their college academic career while still in high school. Students may be eligible starting in 10th grade. See the DE website for more information: <https://milton.fultonschools.org/academics/counseling/academic-advisement/dual-enrollment>

APRIL 1

"TOUR THE NEST" NIGHT

Milton High School does not offer group tours during the school day for Rising 9th Graders. We will hold this event on Wednesday, April 1, 2026 at 6:00 PM. Additional details will be shared with Middle Schools and on the Milton Website when available.

This timeline is for **MHS feeder schools**. Students enrolling from different schools may still attend our Rising 9th Grade Night and Tour the Nest Night, but will work with the MHS Registrar for selecting courses at the time of enrollment. Use the QR Code to access additional Rising 9th Transition materials.

Balance & Rigor

It is important for students to consider what is best for them & their schedule. Rigor is relevant to the student. Finding a healthy balance between a challenge & not over doing it is important.

Factors to Consider

- Extracurriculars/Sports
- Religious Activities
- Outside of School Interest
- Transportation Availability (if taking an online class)
- Family Obligations
- Academic Strengths, Weaknesses, & Interests

Schedule Changes

Students will not be able to move up in rigor once their schedule request is made. Students are not allowed to move from online to in-person setting and vice versa. Students will be permitted to drop down in rigor during the first two weeks of school.

Personal Fitness Waiver

Students who complete specific requirements listed on the website below can request to waive out of the required Personal Fitness course. The waiver is due by end of Junior Year.

MHS Homepage > Academics > Personal Fitness FAQ

Course offerings may change and are not guaranteed. Students should list **two alternative electives with their course requests as a back-up in case their preferred class is not available.**

Career Tech classes are a great way to explore a future career & gain hands-on experience.

Students need to complete all three courses in the pathway for completion.

CAREER TECH	COURSES REQUIRED
Health Science— Surgical Technology Pathway	1. Intro to Healthcare Science 2. Essentials of Healthcare 3. Surgical Technician 4. Medical Internship (Optional 4th via Work-Based Learning)
Health Science— Sports Medicine Pathway	1. Intro to Healthcare Science 2. Essentials of Healthcare 3. Sports Medicine 4. Medical Internship (Optional 4th via Work-Based Learning)
Entrepreneurship Pathway	1. Intro to Business & Technology 2. Legal Environment of Business 3. Entrepreneurship
Computer Science Pathway	1. Intro to Software Technology 2. AP Computer Science Principles 3. AP Computer Science A
Law Enforcement Services— Criminal Investigations Pathway	1. Intro to Law, Public Safety, Corrections & Security 2. Criminal Investigations 3. Criminal Justice Essentials
Nutrition and Food Science Pathway	1. Food, Nutrition & Wellness 2. Food Science 3. Food for Life
FINE ARTS	COURSES REQUIRED
Music Performance Instrumental	3 courses in instrumental/vocal music and/or AP Music Theory with at least one course at level 2 or higher
Music Performance Vocal	3 courses in instrumental/vocal music and/or AP Music Theory with at least one course at level 2 or higher
Theatre Arts	3 courses in theatre arts with at least one course at level 2 or higher
Visual Arts 2D	1. Intro to Art (Visual Arts Comp 1) 2. 3 courses in Draw/Paint, Graphics and/or AP Drawing and/or AP 2D Design 3. At least one course must be level 2 or higher
Visual Arts 3D	1. Intro to Art (Visual Arts Comp 1) 2. 3 courses in Ceramics, Sculpture and/or AP Drawing and/or AP 3D Design 3. At least one course must be level 2 or higher

Career Tech classes are a great way to explore a future career & gain hands-on experience.

Students need to complete all courses in the pathway for completion.

WORLD LANGUAGE	COURSES REQUIRED
Japanese	<ul style="list-style-type: none"> • 3 Japanese courses OR • 2 Japanese courses + AP Japanese
French	<ul style="list-style-type: none"> • 3 French courses OR • 2 French courses + AP French
Latin	<ul style="list-style-type: none"> • 3 Latin courses OR • 2 Latin courses + AP Latin
Spanish	<ul style="list-style-type: none"> • 3 Spanish courses OR • 2 Spanish courses + an AP Spanish course (Language or Literature)
ADVANCED ACADEMIC	COURSES REQUIRED
Mathematics	4 courses in Mathematics with at least one AP or post-secondary course AND 2 sequential courses in a world language
English/Language Arts	4 courses in English/Language Arts with at least one AP or post-secondary course AND 2 sequential courses in a world language
Science	4 courses in Science with at least one AP or post-secondary course AND 2 sequential courses in a world language
Social Studies	4 courses in Social Studies with at least one AP or post-secondary course AND 2 sequential courses in a world language

There are **two** AP courses available to 9th Graders:

AP U.S. Govt/Politics (yearlong)
AP Human Geography

Qualities of an AP Student

- Has the ability to grasp new concepts at a rigorous pace without intervention
- Has the ability to link new material with old and across disciplines
- Advocates for self if struggling with material
- Independent and self-motivated
- Completes homework independently and thoroughly in an appropriate amount of time
- Makes efficient and effective use of class time
- Works effectively with other students

Seminar – ELA

Computer Science

Computer Science A
Computer Science Principles

1. How many classes does a student take?

Students take 6 classes + 1 lunch (total of 7 periods) every day. Students will take 4 core classes (ELA, Math, Social Studies, Science) every year + electives. Electives are the high school equivalent to Connections in Middle School.

2. What are the options for electives?

The elective list and course catalog can be found at <https://milton.fultonschools.org/academics/academics-overview/overview>

3. Can I take online courses?

We do not recommend that 9th grade students take online courses. This allows our 9th grade students to adapt to the high school curriculum, meet other students, and get more involved. However, all students at Milton are permitted to take up to three online courses in their daily schedule.

4. What is the difference between on-level, honors, and AP?

- On-Level = College-Prep Courses
- Honors = Advanced College-Prep Courses
- Advanced Placement (AP) = Standardized College-Level Courses; students take a standardized national exam in May and may earn college credit based on exam performance.

5. I am a TAG student. How does that work in high school?

Students classified as Gifted in Fulton County are expected to pursue advanced coursework in their fields of passion. This pursuit is indicated on their transcripts as Gifted Participation. Gifted students have the opportunity to earn Gifted Participation Credit by enrolling in at least one of the following each semester: 9th Grade Students – Any AP class; Honors Biology; Honors 9th or 10th Literature; Honors Math that is at least 1 grade level above

6. Can I have a free period?

No free periods. Students take a full schedule of 6 classes every year.

7. Can I take summer classes?

Yes, students can take online Health or online Personal Fitness over the summer. Online classes over the summer have a fee and are only 5 weeks long; students can expect to spend up to 3 hours/day per 0.5 credit they take. FVS classes cannot be accessed outside of the US.

8. What if I change my mind on the classes I have requested?

Students can drop in rigor (AP to Honors or On-Level) during the first two weeks of the semester only. After the course registration deadline in Spring 2026, students will not be able to request to go up in rigor or register for online courses.

9. Can I change my teacher?

Schedules are not changed for teachers.

10. How does lunch work? Can I change my lunch?

Students are scheduled for one of the three lunch periods (3rd, 4th, 5th). Students' lunch period may change second semester depending on what classes they are taking. Lunch lasts a whole period and students may not leave the cafeteria unless they have a pass. Students are not allowed to leave campus for lunch or order food delivery. Schedules are not changed to accommodate preferred lunch periods.

11. Is there a school supply list? What about a PE uniform?

Students will receive a syllabus the first day of class that will list the specific supplies they will need. Every student should show up to class with paper and pen/pencil. School devices will be given out during the first 2 weeks of class. PE uniform information/fees will be shared the first day of school in class.

12. What happens if I fail a class?

Your school counselor will help you schedule appropriate credit recovery. Both the original failing grade and new credit recovery grade will be on the transcript.

These are the 2025-2026 SY Bell Schedules.
Official Bell Schedules for the 2026-2027 SY will be released in July 2026.

"A" Schedule Monday & Friday	Period	Time
	1	8:20 – 9:17
	2	9:22 – 10:19
	3	10:24 – 11:21
	4	11:26 – 12:23
	5	12:28 – 1:25
	6	1:30 – 2:27
	7	2:32 – 3:30

"B" Schedule Tuesday, Wednesday, Thursday	Period	Time
	1	8:20 – 9:13
	2 (+ Advisement)	9:18 – 10:40
	3	10:45 – 11:38
	4	11:43 – 12:36
	5	12:41 – 1:34
	6	1:39 – 2:32
	7	2:37 – 3:30

"C" Schedule First Week of School & As Needed	Period	Time
	1	8:20 – 9:13
	2	9:18 – 10:10
	Homeroom	10:15 – 10:45
	3	10:50 – 11:42
	4	11:47 – 12:39
	5	12:44 – 1:36
	6	1:41 – 2:33
	7	2:38 – 3:30

Lunch Periods are 3, 4, and 5.
Student schedules are comprised of 6 courses + 1 Lunch.
We do not accept lunch change requests.
