Noteworthy Items:

- **Grayson Tech and Maxwell will send welcome letters to all accepted students in July (after Summer School).**
- **Grayson Tech and Maxwell will not drop a student without an email from the Home School Curriculum AP. It was agreed that emails from SDMCs and Counselors would not be part of the withdrawal process or requests to switch programs. The same process should be followed when a student requests the home school drop GT/Maxwell.**
- **Please communicate to the SDMC and Counselor about not emailing GT/Maxwell SDMC and/or Counselors for schedule changes or withdrawals. This will help expedite the process.**
- **SDMC/Registrar will email GT/Maxwell AP and SDMC if a student withdraws from the home school AND include if the student is transferring to another GCPS school.**

Our goal is to increase communication between GT/Maxwell and Home Schools and maximize enrollment. As always, we appreciate the support of the home schools!
