

Career Interest Assessment Platforms

You Science - Log In Instructions

- Go to <https://www.youscience.com/login/>
- On Log In page, click Brightpath log in.
- Log in with Clever (please do not use the QR code) If you are not brought to your personal You Science Homepage with your name, use these credentials:
 - Your Username is studentID@susd.org
 - Your Password is your birthdate
- Click **Aptitude and Career Discovery** to start the first exercise.
- You Science will have a series of demographic questions before you are brought to the first page.

You do not need to complete all 11 exercises in one sitting. Your results are saved after you complete each exercise so you can return to it later.
