ARTS IMMERSION CAMPS

Grades 2 through 10

2026 PROGRAM GUIDE

Week 1: June 22-26

Arts at the Academy

is a weeklong program that focuses entirely on Fine Arts, across multiple disciplines. Parents and campers will create their own schedules by selecting from a range of available course options. This flexible approach allows campers to tailor their interests for a unique summer experience.

We encourage campers to create schedules that reflect balanced choices across a variety of classes, guided by talented directors from all Fine Arts categories. In other words, try something new! At registration, campers will be prompted to rank their preferences throughout each "class period". Campers' final schedules will be shared no later than June 6.
