By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

School Description and Mission Statement (School Year 2025–26)

Mission

The mission of Sierra Madre Elementary School is to nurture learners as they grow into brilliant, creative, strong and true hearted leaders within a safe and supportive community.

Core Values

Our mission is built upon four core values: Rigorous Academics, Innovative and Artistic Expression, Physical Education, and Ethical and Character Development. Students are challenged to be brilliant, creative, strong, and true hearted.

What Does Our School Offer?

BRILLIANT: Rigorous Academics

Engaged Learners who exhibit a passion for discovery; participate in a rigorous and meaningful curriculum; confidently explore new ideas; and discover the joy

of collaborative learning within a safe and supportive environment, thus setting the foundation for a lifetime of learning.

Self-Motivators who practice self-disciplined thought and action, are reflective learners and self-evaluators, who set, persevere, and achieve realistic and challenging goals; and discover the personal satisfaction of pursuing excellence.

CREATIVE: Innovative & Artistic Expression

Complex Thinkers who engage their natural curiosity, demonstrate skill in mathematical computation, reasoning and logical analysis; consider options, make thoughtful decisions, employ technologies; exhibit creativity, originality, and invention; ask questions, solve problems and deepen their knowledge and understanding. Effective Communicators who are skillful readers, writers, speakers, thoughtful listeners and viewers, technologists and artists; who understand multiple perspectives; and employ their literacy skills to interpret and creatively respond to their world.

STRONG: Physical Education

Growing children who benefit from developing wise habits in the areas of health and fitness; engage in research based activities, scientifically proven to increase nutritional intake, physical activity levels, and energy expenditures, while reducing confrontations and playground injuries; bring focus and concentration to classroom learning.

TRUE HEARTED: Ethical Education & Character Development

Respectful Individuals who understand and value the worth and dignity of all people; respect the rights, feelings and possessions of others as their own; empathize with others; extend courtesy and kindness to all; value honesty in all areas of life;

and demonstrate loyalty and pride in our school, community and country.

Responsible Citizens who make informed choices regarding their social, emotional, and physical wellbeing; foster a culture in which diversity is respected and celebrated; demonstrate collaborative skills; live with integrity and purpose as contributing members in our diverse and global community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

A scheduled maintenance program is administered by the Pasadena Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

PUSD maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

PUSD has adopted cleaning standards for all schools in the District.

The PUSD Facilities Master Plan provides an outline of modernization plans for school sites based upon input from educational partners and identified student needs. More information can be found at: <https://www.pusdplan.org/>

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Mathematics (grades 3-8 and 11)	71%	68%	35%	36%	35%	37%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

School Safety Plan (School Year 2025–26)

The safety of students and staff is a primary concern of the Pasadena Unified School District. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Students are monitored before, during, and after school by supervision aides, resource teachers, and the principal. Teachers help supervise students during recess. There are designated areas for student drop-off and pick-up.

The School Site Safety Plan is revised annually by the Leadership Team and School Site Council. The Safety Plan is reviewed with all staff members and modified based on student data at the beginning of each school year. The plan was most recently updated and reviewed with school staff in February of 2024. Key elements of the Safety Plan include the maintenance of a safe, orderly, and drug-free school. The schools comply with the laws, rules, and regulations about hazardous materials and state earthquake standards.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Fire, disaster, and lockdown drills, etc are conducted on a regular basis throughout the school year. A school based safety team composed of parents, teachers and administrators meet monthly to discuss the safety needs of the school.

Types of Services Funded (Fiscal Year 2024–25)

Sierra Madre Elementary serves students from Pre-K through fifth grade, offering a rich array of services and resources to support a well-rounded education. The campus features a variety of specialized spaces, including an Art Discovery Room, a library, a calm room, a science and innovation lab, and a historic 600+ seat auditorium. These facilities provide a nurturing environment that supports both academic learning and student well-being.

All students at Sierra Madre Elementary benefit from weekly music lessons taught by a credentialed music teacher, as well as monthly art lessons delivered by a visiting Artist in Residence. Additionally, students visit the library each month, where they receive guidance from the Library Coordinator, promoting a love for reading and literacy.

There are also weekly visits to the garden with the gardening teacher and to the library with the Library Coordinator. Each grade level works with the music teacher to perform on stage at least twice a year.
