Eastern Suffolk BOCES
Educational Services That Transform Lives

Michael Zuccaro

Michael has been a member of Eastern Suffolk BOCES for 10 years. In his role as a Staff Developer/Shared Data Expert, he partners closely with district leadership and facilitates regional trainings. He specializes in data analysis, creating charts, graphs, and interactive dashboards that help district administrators and staff engage in meaningful, data-informed conversations. Michael brings more than six years of experience as a district administrator, where he also served as the District Data Coordinator (DDC) and Data Analyst. He is a New York State certified Secondary Mathematics Teacher and holds certifications in both Building and District Administration.
