## STUDENT COMPLAINTS AND GRIEVANCES

The North Middlesex Regional School Committee recognizes that there may be conditions in the North Middlesex Regional School District that need improvement and that students should have a means by which their concerns may be effectively expressed, considered, and addressed fairly. Such means, if well-conceived and understood in advance, can do much to maintain harmonious relationships among the schools, the students, and the community. Every attempt will be made to seek a satisfactory solution to any concerns in a friendly and informal manner.

Students and their parents and/or guardians who believe a student has received unfair treatment may bring a grievance through the appropriate channels. Appeals of disciplinary cases will be required to follow the district's policy on student discipline. Any applicable provisions of the Massachusetts General Laws or federal law will be followed by school officials in conducting hearings.
