Local Educational Agency (LEA) Parent & Family Engagement Policy (2025-2026)

English/Spanish/Punjabi

Title I, Part A LEA Parent and Family Engagement Policy

Panama-Buena Vista Union School District with parents and family members, has jointly developed, mutually agreed upon, and distributed to, parents and family members of participating children a written Local Educational Agency (LEA) parent and family engagement policy.

I. Describe how parents and family members are involved in the development of the Title I, Part A parent and family engagement policy (ESSA Section 1116[a][2]):

PBVUSD parents and family members jointly develop the Parent and Family Engagement Policy (PFEF) by providing input, comments, and review the policy annually. Parents and family members have the opportunity to join various committees: District Advisory Committee (DAC), Title I Subcommittee (TIPS), District English Learner Advisory Committee (DELAC), and other educational partner groups. The established DAC, DELAC, and TIPS committees provide input, review, and comment on the PFEF annually. All parents have the opportunity to be involved in providing feedback to the District by participating in the district-wide biannual School and Family Relationships survey. Additionally, the Superintendent's Parent Council meets and provides feedback to the Superintendent regarding their children's educational experiences and ways to promote positive partnerships with our school community.

The policy is distributed to all families, including parents and families of Title I students, via the District Parent Handbook. The policy is translated into Spanish and other languages as required by statute. Also, the document is available free of charge at the District Office upon request and located on the District Website at the following web address: <https://www.pbvUSD.k12.ca.us>

(cf. BP 5020 - Parent Rights and Responsibilities)

(cf. BP 6020 - Parent Involvement)

(cf. BP 5145.6 Parental Notifications)

(cf. 6171 - Title I Programs)

II. Describe how parents and family members will be involved in the development of the LEA Plan and support and improvement plans under ESSA Section 1111(d)(1-2) (ESSA Section 1116[a)(2)[A]):

The District involves parents and family members in the joint development of the Local Control and Accountability Plan (LCAP)/LCAP Federal Addendum and the development of school support and improvement. Review of and comments on the LCAP/LCAP Federal Addendum are encouraged through discussions with the DAC, TIPS, DELAC, School Site Councils (SSC), and other educational partner meetings/listening posts. Parents and families are provided surveys where they can provide the District feedback regarding the LCAP goals. Information about the LCAP/LCAP Addendum is shared through local Board of Education reports, through the District's website, LEA report card, and through reports at DAC and DELAC meetings on each school's progress in meeting all accountability measures and in the annual evaluation of the LCAP/LCAP Addendum. Parents have the opportunity to address the Board regarding the LCAP at a separate public hearing held before the scheduled Board meeting to review and approve the LCAP.

Copies of the working drafts of the LCAP/LCAP Addendum in a practicable format, in a language the parents and family members can understand, are available. Parent and Family Engagement Policies at the school level address parents' and family members' roles on school site councils and the development of all school plans.

There are no school sites that have been identified as either Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI). Should any of the Title I school sites become identified as CSI, TSI, or ATSI, parents and family members of those schools will be provided with information regarding the school's progress and suggested to offer input on how the school(s) can improve the program of instruction.
