## Independent Auditors' Report on Supplementary Information

To the Board of Education of  
Evergreen Park Community High School District 231

We have audited the modified cash basis financial statements of the governmental activities and each major fund of Evergreen Park Community High School District 231 (the District) as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated December 11, 2025 which contained unmodified opinions on those financial statements. Our audit was performed for the purpose of forming opinions on the financial statements as a whole.

The accompanying Annual Financial Report (ISBE Form SD50-35/JA50-60), as of and for the year ended June 30, 2025, has been prepared in the form prescribed by the Illinois State Board of Education, is presented for purposes of additional analysis, and is not a required part of the basic financial statements referenced in the preceding paragraph. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information, except for the financial profile information, estimated financial profile summary, statistical section, report on shared services or outsourcing, administrative cost worksheet, itemization schedule and deficit reduction calculation, which were not audited and on which we render no opinion, has been subjected to the auditing procedures applied to the audit of the basic financial statements and certain other additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for those portions identified in the previous sentence as not audited, the Annual Financial Report is fairly stated in all material respects, in relation to the basic financial statements as a whole.

The answers to questions 1 through 22 contained in the "Auditor's Questionnaire" on page 2 are based solely on the procedures performed and data obtained during the audit of the basic financial statements of the District as of and for the year ended June 30, 2025.

This report is intended solely for the information and use of the Board of Education, management of the Evergreen Park Community High School District 231, and the Illinois State Board of Education and is not intended to be and should not be used by anyone other than these specified parties.

1	<b>DEFICIT ANNUAL FINANCIAL REPORT (AFR) SUMMARY INFORMATION</b> <b>Provisions per Illinois School Code, Section 17-1 (105 ILCS 5/17-1)</b>					
2	<i>Instructions: If the Annual Financial Report (AFR) reflects that a Deficit Reduction Plan is required as calculated below, then the school district is to complete the Deficit Reduction Plan in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the FY2026 annual budget to be amended to include a Deficit Reduction Plan and narrative.</i>					
3	The "Deficit Reduction Plan" is developed using ISBE guidelines and is included in the School District Budget Form 50-36, beginning with page 22. A plan is required when the operating funds listed below result in direct revenues (cell F8) being less than direct expenditures (cell F9) by an amount equal to or greater than one-third (1/3) of the ending fund balance (cell F11). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years.					
4	- If the FY 2026 school district budget already requires a Deficit Reduction Plan, and one was submitted, an updated (amended) budget is not required.					
5	- If the Annual Financial Report requires a deficit reduction plan even though the FY2026 budget does not, a completed deficit reduction plan is still required.
