

We Need Your Help to Keep Our Garden Growing!

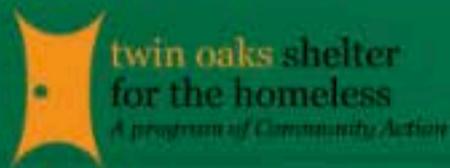

VOLUNTEERS NEEDED!

MEET CERESA, OUR DEDICATED GARDEN VOLUNTEER

Ceresa shows up every
Thursday at 9 AM to help our
garden thrive — but she can't
do it alone!

Join us at Twin Oaks
Shelter and lend a hand in
the garden.

Your time can make a
big difference!

Without volunteers, we may not be able to continue our shelter garden in 2026—a space that provides fresh food and a sense of healing for residents.

No gardening experience is needed—just a willingness to lend a hand and make a difference.
