

South Whidbey Schools Performing Arts Boosters

Supplemental Application \$500 Performing Arts Scholarship

This scholarship is intended for students who are currently enrolled in the South Whidbey School District and who have participated in the Wind Ensemble, Jazz Band and/or Choir for at least two years while attending high school.

What is the approximate date that you plan on entering college or vocational school?

What are your expected fields of study?

Please answer the following questions on a separate page (the answers do not need to be extensive).

1. While attending high school, what music performance have you been involved with outside of school – this could be solo's, contests, recitals, ensembles, community festivals, etc.
2. Please tell us what role music performance will play in your life while you are enrolled in college or vocational school?
3. What volunteer work, music lessons, master classes, workshops, or tutoring have you participated in over the past 4 years.
4. Have you received any recognition and/or awards related to music performance over the past four years?
5. Are there any unusual circumstances we should consider in reviewing your application?
