

2024-2025

ANNUAL REPORT

THE CAREY SCHOOL

The Mission of The Carey School

The Carey School inspires curious, confident, and joyful learners and celebrates childhood in a diverse, inclusive community that nurtures kindness, respect and personal responsibility.

Our Commitment

Educate each child through an academically challenging and balanced Pre-Kindergarten to Fifth Grade educational curriculum based on the fundamentals of reading, language arts, and math.

Advance our curriculum with integrated studies in science, music, art, world languages, technology, library studies, physical education and other enrichment programs.

Enable students to reach their fullest potential by providing a developmentally appropriate curriculum that nurtures cognitive, creative, social-emotional and physical growth.

Sustain a culture of teaching excellence through passionate faculty, curriculum reviews, collaboration and professional development.

Partner with families to maintain our inclusive community and build student awareness of self as well as the world beyond.

Graduate enthusiastic, life-long learners who are prepared with the skills for a successful educational journey.

HEAD OF SCHOOL LETTER

Neely Norris, Head of School

As I reflect on the 2024–2025 school year, one thing is abundantly clear: our greatest strength is the vibrant, supportive community we've built together. This community is grounded in a shared commitment to our children's success and well-being, and it is uplifted every day by the extraordinary dedication of our families, faculty, and staff. I am especially grateful to the families who so generously share their time, talents, and resources to enrich our school.

Volunteerism has always been central to our mission, and this year I've had the privilege of witnessing countless moments that show just how deeply our community cares. Whether it's parents coordinating events like Spaghetti Dinner, committees like Caring at Carey building community through meaningful action, or faculty partnering with families to enhance classroom experiences, every act of service has made a profound difference.

We have seen the power of true collaboration, families and staff working side by side to create enriching extracurricular opportunities and to ensure that our school remains a welcoming, inclusive place for all. This year, volunteers have strengthened our fundraising efforts, supported classroom activities, and taken on the many behind-the-scenes tasks that allow us to stay focused on what matters most: the learning and growth of our students.

At Carey, we know that our students' accomplishments are supported not only by excellent teaching but also by the collective effort that extends far beyond the classroom. The bond we share as a community makes us stronger, enabling us to provide an educational experience unlike any other.

Thank you to everyone who has contributed your time, energy, and passion to our school. As these pages illustrate, we are in a position of financial strength thanks to the hard work of our development team, our fundraising volunteers, and all of you. Your ongoing and generous support has built a solid foundation for Carey's future. We are deeply grateful. Your involvement is truly invaluable, and I look forward to another year of growth, collaboration, and shared success.
