

# Learn Spanish with Ken-Ton Community Ed!

## Capture the opportunity in your child's development!

SPANISH FOR THE ELEMENTARY YEARS is an educationally oriented fun and interactive program designed specifically for the K-4 elementary student. The unique six-week curriculum features foundation vocabulary introduced through games, singing and hands-on activities. Students are able to compound words and begin forming simple sentences. Classes are never a repeat! Three different sessions are offered during the school year. **New vocabulary and activities are introduced with each 6-week session!** Returning students continue expanding their vocabulary base and new students begin building their vocabulary base. The program consists of a 5-year rotation of lesson plans! **New and returning students can join.** Research studies indicate the benefits of introducing foreign language skills at an early age! Early introduction increases the student's ability to absorb rather than translate the language. Join the fun!
