## WHAT ARE STUDENT SUCCESS SESSIONS?

Student Success Sessions are an opportunity for families to meet with your student's teachers to review academic progress, data, and goals for the new year. After your conference session, make sure to check out the FREE food (snacks will be provided) and raffle prizes - including themed baskets and televisions!

## HOW DO I REGISTER?

If you have not already scheduled a session, feel free to email your student's teacher to set up a Student Success Session meeting time. You may also contact LAFO Assistant Principal Janae Capshaw ([janae.capshaw@fwisd.org](mailto:janae.capshaw@fwisd.org)) for assistance.
