

# Gonzales Primary Academy: Family Engagement Plan 2025-2026

## Introduction:

“The mutual responsibility of families, schools, and communities to build relationships to support student learning and achievement, support family well-being and the continuous learning and development of children, families, and educators. Family engagement is fully integrated in the child’s educational experience and is both culturally and linguistically appropriate.” Texas Administrative Code §102.1003.

Gonzales Primary Academy, by the House Bill 3 High-Quality Prekindergarten guidelines, created a High Quality Prekindergarten Family Engagement Plan to promote partnership between our school, families, and community to ensure successful outcomes for our youngest learners in prekindergarten programs. Collaboratively, we are all responsible for encouraging and supporting initiatives, activities, and practices that enhance student learning and achievement success.
