Appropriate Spacing Between Letters and Words

Write the following words with appropriate spacing between letters.

fox

jumps

rake

Write the following sentence: The ant climbs up the hill. Use appropriate spacing between words.

Directions: read the passage to an adult and illustrate.

Pete's Pet Snake

Pete got a pet snake. Pete gave the snake a name. "You are Steve," Pete said to the snake. Steve has a huge glass cage. Pete has to lock the cage, so Steve is safe.

Steve likes his cage. He can hide next to the rocks. He can rest in the sunshine or the shade. At his age, Steve's skin sheds and his scales change. This looks a bit strange, but Pete likes Steve all the same.

Illustrate the story here:

A large, empty rectangular box with a thin black border, intended for a student to draw an illustration of the story.
