

ECA Dates

- Term 2 Internal Clubs: Feb 23, 2026 - May 29, 2026
- Term 2 Extension Programs: Feb 9, 2026- June 12, 2026

How to Register

- Registration for Term 2 ECAs is available from Jan. 20 at 4:00PM until Jan. 23, at 4:00PM
- Registration is first come, first serve; internal clubs run from 3:10 - 4:00, parents will be informed of any changes in club times and days by club supervisors
- Elementary ECAs are assigned at the time of enrolment provided space is available (max 2 clubs per student); parents may select 2 ECAs and 1 alternate
- Please ensure your child is in the eligible grade before selecting an ECA
- Payment links will be sent via email from Global Payments to the parent indicated as the 'Parent 1' on the registration form for internal clubs; payment is due upon receipt; failure to remit payment will result in the loss of the registration request
- Payment for Extension Programs is made online via PayPal
- **Elementary Internal Programs:**
[Parents may enrol their child via the Term 2 Elementary Internal ECA Registration Platform](#)
- **Secondary Internal Programs:**
[Parents and students may enrol their child via the Term 2 Secondary Internal ECA Registration Platform](#)
- **Extension Programs:**
[Parents may enrol their child via the Term 2 Extension Program Registration Platform](#)

Terms & Conditions

- No refunds, credits or make up lessons will be offered for student absence or in cases of cancellations by the EDB, DSC and due to inclement weather
- Course fees are non-refundable and non-transferable with the exception of course cancellation due to insufficient enrolment
- Parents will be informed via email in cases when courses are cancelled due to low enrolment, inclement weather or course cancellation due to teacher absence
- Students may be removed from programs due to behavior deemed inappropriate or breach of school code of conduct and school policies
- Late registration is available on a rolling basis provided space is available
- For inquiries please email eca@dsc.edu.hk
- Photos and videos will be taken for marketing purposes; please email eca@dsc.edu.hk for more information

Arrival & Dismissal

- Students will report directly to the venue for onsite internal ECAs; students will meet external service providers in alcove 1, DSC courtyard
- Parents and caregivers are not allowed to stay onsite, but they may be permitted to view competitions at select sports venues.
- Students in Grades 3 and below are required to have parent/caregiver pick up; please inform DSC and external service providers if your G4-6 child will not require pick up by a parent or caregiver
- Please arrive 10 minutes before conclusion of courses for pick up outside the DSC main entrance

Sports Teams Tryouts

- Tryout forms are available in the Elementary and Secondary Offices
- All students must submit a tryout form in advance to the Elementary and Secondary Office before tryouts commence
- Tryouts details will be communicated to students in the morning announcements and slides
- All team fees are due before students may participate in team practices and games

Health & Safety

- Please send your child with a labelled refillable water bottle
- Please inform the DSC Health Team, health@dsc.edu.hk, and external service providers of any known health conditions
- A member of the Health Team is on duty Monday to Friday from 8:00am - 4:30pm
- In the event of an emergency, your child will be transported to the nearest hospital, Pamela Youde Nethersole Eastern Hospital; parents will be notified via phone

Inclement Weather Policy

T1 - T3 Courses continue with possible modifications and may be cancelled according to EDB guidelines

T8 Courses cancelled; parents notified via email

Amber Rain Courses may be cancelled; parents notified via email

Red Rain Courses cancelled; parents notified via email

Black Rain Courses cancelled; parents notified via email

Babel Film Workshop is the leading film and media education company in Hong Kong. We provide fun and professional programs for students aged 5 -15 to learn the visual literacy skills necessary to communicate effectively in today's visually-driven world. Our courses are regularly offered at top international schools in Hong Kong.

Want your child to perform confidently in front of a camera? Students today appear on screens more than ever, but rarely know how to act on camera, which means they miss out on a highly relevant form of performing arts. In this course, students will be introduced to the exciting world of acting for movies by performing on screen in a different project each term. This term, they will:

- Learn acting techniques used in movies
- Create on-screen performances using body movement
- Feel confident in performing in front of cameras
- Work with teachers who have professional screen acting experience

No prior experience or specialized equipment are required. Parents/guardians are invited to a Showcase on the last class. Limited to 12 students only, so enroll now to not miss out on the fun of acting for movies!

WEDNESDAY

Acting for Movies: Movement (G3-6)

Time: 3:10-4:10

Location: 2/F Robotics Room & 2/F Media Room

Course Fee: \$3864 (16 sessions)

Basketball

Top Flight Basketball, founded by former professional player Ike Nwankwo—who also holds a law degree from Harvard—provides high-level coaching designed to develop confident, skilled, and well-rounded young athletes. With over 14 years of experience in Asia, our program helps students improve basketball fundamentals, movement, and decision-making. Players learn teamwork, strategy, and sportsmanship through structured drills and game play. This class challenges students to push their limits in a positive, supportive environment while building physical skills, leadership, and a love for the game.

Join the Top Flight Summer Program! Our tailored program enhances coordination, flexibility, and agility. Open to students of all skill levels. Camp includes exciting games, contests, and competitions. Wear comfortable sports attire and bring a water bottle. Do not miss the chance for your kids to sharpen their skills in a safe and enjoyable environment.

FRIDAY

Basketball - Aviators (G4-6)

Time: 3:10-4:10

Location: Court 3

Course Fee: \$3686 (13 sessions)

The Chess Academy is the #1 Chess Program in HK! Led by our TWO Grand Masters together with a team of Expert FIDE coaches, children will learn from the BEST at The Chess Academy. The program was founded with the goals of teaching international chess to children and most importantly building children's character through chess. Chess requires a good understanding of rules, fair competition, learning from mistakes and challenging oneself. Through this process, children will undoubtedly acquire invaluable skills sets such as developing stronger spatial reasoning, attention span, sportsmanship and confidence.

The program strives to:

- Nurture sportsmanship and planning
- Train patience and good decision making
- Guide students in a positive manner
- Encourage students to learn from mistakes

THURSDAY

Chess (G2- 4)

Time: 3:10-4:10

Location: 2/F Robotics

Course Fee: \$4704 (16 sessions)

With Nova Academy, Nova Learn delivers holistic, future-focused experiential learning programs for K-9 students. Leading with inquiry-driven learning and curiosity, the STEAM, AI & Digital Literacy, and Life Skills programs offered are aligned with the UN SDGs and ISTE standards. Through hands-on projects and gamification, the focus is on fostering a lifelong love of learning and real-world skills such as creativity, critical thinking, collaboration, communication, and leadership.

Game Designer: Code, Design, Sell

Turn game ideas into reality in this action-packed program where students will design, develop, and market their very own video game! Using Scratch block coding, they will master the fundamentals of game design, from compelling storytelling to immersive game mechanics. They will also use design thinking to refine their game before pitching and presenting it. This program is perfect for students looking to develop skills in coding, creative problem-solving, public speaking, and entrepreneurship.

THURSDAY

Game Designer: Code, Design, Sell (G4-6)

Time: 3:10-4:10

Location: PG215

Course Fee: \$5376 (16 sessions)

Cooking

Stormy Chefs hopes to expose children to making “good food choices”. As our planet faces the challenges of climate change, population growth, and dwindling natural resources, we want to do our part to lead a sustainable lifestyle. Our diet can play a big part in this by eating food that is healthy for the environment and for our bodies. In this program, we will make children become more aware about sustainable diet concepts, such as - eating more locally and seasonally, more sustainable whole foods, avoid food waste and using less plastic. Not only will children have tons of fun cooking and bringing home some delicious dishes, but they will also feel great by taking small steps in making a positive difference to Mother Earth. ***Students are required to bring a lunch box or food container to each class; please inform the provider of any known food allergies**

Our mission is to:

- Get students truly excited about Food!
- Equip students with cooking skills and concepts that are sustainable
- Provide a fresh, fun, hands-on way in preparing delicious dishes

TUESDAY

Cooking (G7-8)

Time: 3:10-4:10

Location: 2/F Nutrition Room

Course Fee: \$4704 (16 sessions)

WEDNESDAY

Cooking (G1-4)

Time: 3:10-4:10

Location: 2/F Nutrition Room

Course Fee: \$4704 (16 sessions)

Creative Computing

TLC Global Holding Limited has been an innovative education solutions provider for Hong Kong schools for the past 19 years. TLC Kids employs the latest methods and tools, and their dedicated team of teachers is continuously developing a high-quality, education-based curriculum.

This computer skills program provides our pupils with a solid foundation alongside the extra skills and confidence to fully utilize computing at school and at home. Each class will be a new and exciting adventure, with topical activities designed to engage their creativity and keep them up-to-date with current trends in our rapidly changing digital world. Drawing upon the best teaching methods and latest international curriculum resources and technology. The program incorporates Digital Game Based Learning programs such as Minecraft Education Edition with topics such as:

***A laptop is required for this class, it can be provided if requested in advance.**

- Image Editing
- A.I and Neural Networks
- 3D Modelling
- Animation
- Music Creation
- Programming
- Simulations
- Simulations
- Digital Game Based Learning and More!

TUESDAY

Creative Computing (G4-6)

Time: 3:10-4:10

Location: PG211

Course Fee: \$4032 (16 sessions)

FRIDAY

Creative Computing (G1-3)

Time: 3:10-4:10

Location: PG211

Course Fee: \$3276 (13 sessions)

Dance

**SKY
DANCE
AVENUE**

Since 2015, **Sky Dance** has been dedicated to fostering artistic growth in students by providing a supportive platform. Our engaging lessons are designed to focus on skill development while incorporating enjoyable themes that ignite creativity. We are committed to empowering individuals and enhancing their abilities. At SDA, we celebrate and respect diversity, firmly believing that dance is for everyone.

Hip Hop

Help your child unlock their natural groove. They will move to slow and fast beats of music through “pop, lock, groove, house, funk and pop”. Let them loosen up and discover the basic moves of old school to new school dance moves.

K-Pop

K-pop dancing is a dynamic, high-energy technique that calls on endurance, flexibility, and strength. You may learn these abilities and have fun while dancing to your favorite K-pop songs. Our K-pop dancing courses are a fantastic way to push yourself and learn something new, regardless of your level of experience.

WEDNESDAY

K-Pop (G4-6)

Time: 3:10-4:10

Location: 2/F Dance Studio

Course Fee: \$4200 (16 sessions)

FRIDAY

Hip Hop (G1-3)

Time: 3:10-4:10

Location: 2/F Dance Studio

Course Fee: \$3413 (13 sessions)

Dare to DJ -Young Producers

Sol Passion Music has been operating since 2012, with over 2000 students completing courses in DJ performance and music making / production. We work with several Hong Kong based educational institutions to provide on-site and off-site partnered courses.

Dare to DJ -Young Producers

Looking for a creative ECA program your child will actually be excited about? At Sol Passion Music, students learn the fundamentals of DJing and music production, then use those skills to create something they can proudly share. In a fun, supportive environment, kids will learn by doing—guided by experienced instructors and hands-on time with professional gear.

Students will:

- Learn DJ foundations: rhythm, beatmatching, transitions, and track selection
- Explore creative mixing and performance skills
- Build their own beats and musical ideas (drums, bass, melody, and arrangement)
- Create a remix or mashup using production tools and techniques
- Finish a track and learn how to export/share it properly
- Perform (and/or premiere their track) in a final showcase

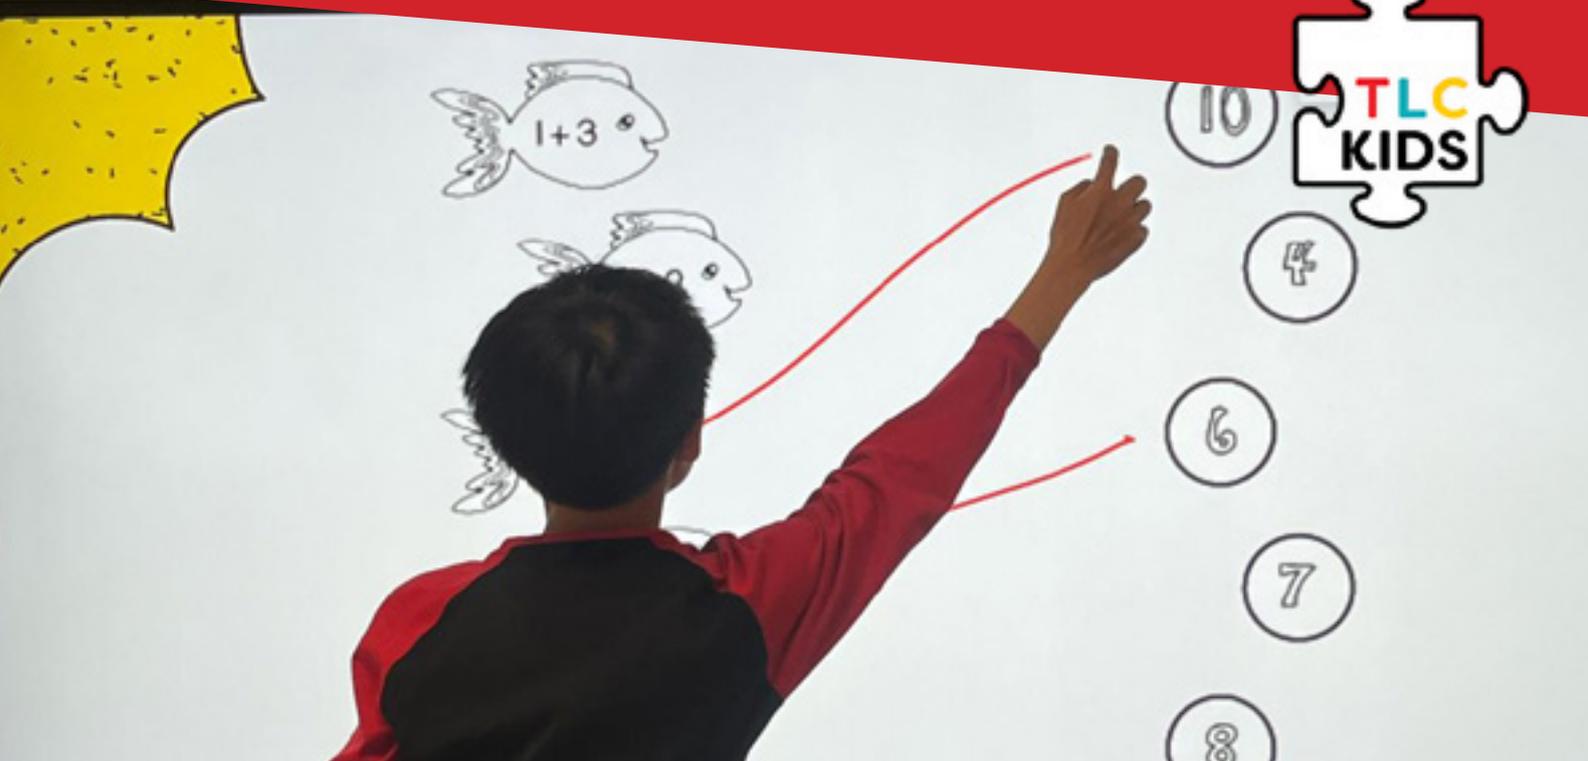

MONDAY

Dare to DJ -Young Producers (G7-12)

Time: 3:10-4:40

Location: 2/F Robotics Room

Course Fee: \$3675 (10 sessions, Feb 23 - May 4)

TLC Kids offers fun and educational extracurricular classes, including Math & Science, Creative Computing, and Inline-Skating & Skateboarding. We promote effort, determination, and positive self-belief. Together, we create a world of self-motivated learners who are brave, resilient, and ready to tackle challenges!

Engineering

Designed for aspiring engineers and problem solvers, this course explores the interconnections between math, science, and engineering principles. Students will delve into a wide range of topics in physics, architecture, electrical engineering, and materials science, to solve real-world engineering challenges and work on engaging projects that simulate the engineering design process. Each day will be a new activity and students will gain a deep understanding of how math and science principles are foundational to engineering innovations.

- Boat Design and Buoyancy
- Motors, Electromagnetism and Circuits
- Bridge Building Challenge
- Parachutes and Aeronautics
- Tower Building Challenge
- And Many More!

TUESDAY

Engineering (G1-3)

Time: 3:10-4:10

Location: PG215

Course Fee: \$4032 (16 sessions)

FRIDAY

Engineering (G4-6)

Time: 3:10-4:10

Location: PG215

Course Fee: \$3276 (13 sessions)

Fencing

Fencing Master is overseen by Head Coach Lau Kwok Kin, offers both recreational and competitive opportunities for all ages and skill levels. The program covers the basics of foil fencing, skill-building activities, and competitive training. Participants can compete with different clubs across Hong Kong. Hong Kong has produced 2 Olympic gold medalists in fencing, and Head Coach Lau Kwok Kin is a 2-time Olympian. In 2023, he received the Excellence Coaching Award for leading the HK Fencing team to victory at the Chengdu World University Game.

***Level 1 supplies provided**

TUESDAY

Fencing (G1-3)

Time: 3:10-4:10

Location: PG Gym

Course Fee: \$6384 (16 sessions)

TUESDAY

Fencing (G4-6)

Time: 3:10-4:10

Location: PG Gym

Course Fee: \$6384 (16 sessions)

TUESDAY

Fencing (G7+)

Time: 4:10-5:10

Location: PG Gym

Course Fee: \$6384 (16 sessions)

Gymnastics

Asia Adventure Sport gymnastics program is an exciting program that introduces children to basic gymnastic exercises, routines and apparatus—and develops them to become competent, confident gymnasts. The program focuses on the performance of various exercises, all of which require physical strength, flexibility, agility, coordination and balance. Our gymnastics classes are executed within the usual Asia Adventure Sport environment of fun, passion and encouragement, coupled with great attention to technique and performance quality. For student progressions, we will adhere to the Australian gymnastic level program.

WEDNESDAY

Time: 3:10-4:10

Location: Elementary Gym

Course Fee: \$3696 (16 sessions)

THURSDAY

Gymnastics (Ages 6-9)

Time: 4:15-5:15

Location: Elementary Gym

Course Fee: \$3696 (16 sessions)

Multi-Sport

Asia Adventure Sport support schools in offering a wide range of afterschool sports clubs as well as an innovative new health and fitness program specifically targeted to suit young people. Alongside our work with schools, we also run amazing outdoor education programs and holiday camps!

In our comprehensive multi-sports sessions, children participate in a variety of key sports, including soccer, hockey, rugby, and athletics. Throughout each sport, children have the opportunity to enhance their gross and fine motor skills, agility, balance, and coordination, all of which are essential for developing into proficient and well-rounded athletes.

Your child will benefit from:

- Well-rounded fitness
- Enhanced motor skills
- Social development
- Versatility and adaptability
- Enjoyment of sports

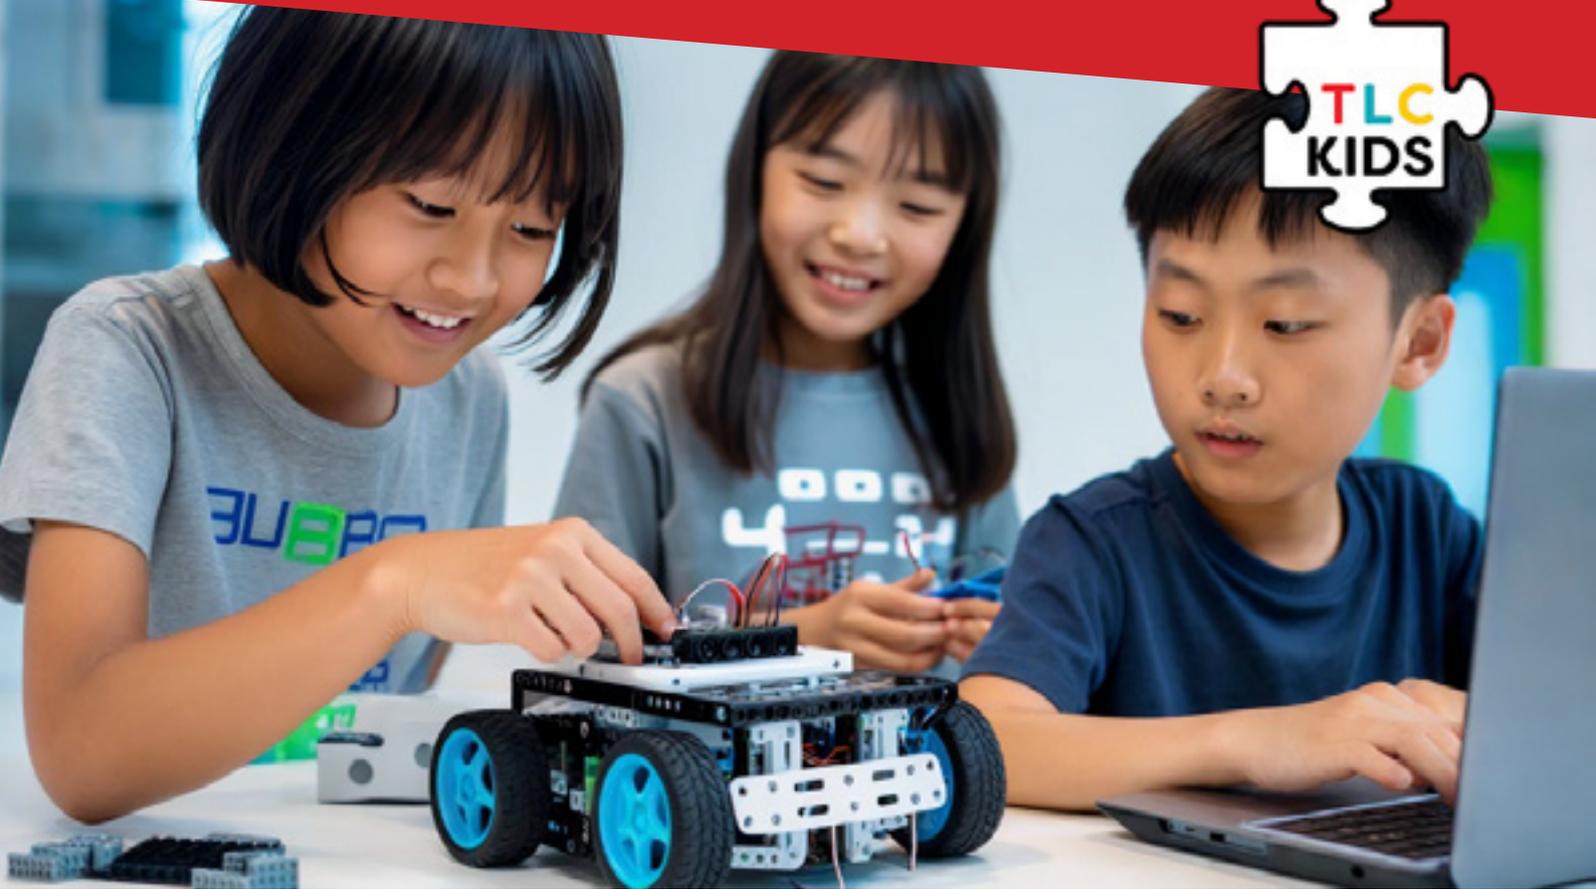

TUESDAY

Multi-Sport (G4-6)

Time: 3:10-4:10

Location: Court 1 & Elementary Gym

Course Fee: \$3360 (16 sessions)

TLC Global Holding Limited has been an innovative education solutions provider for Hong Kong schools for the past 19 years. TLC Kids employs the latest methods and tools, and their dedicated team of teachers is continuously developing a high-quality, education-based curriculum.

Robotics

Students will have the opportunity to design, construct, and program their own robots, allowing them to unleash their creativity and imagination. Every lesson a hands-on activity and challenge that will test their problem-solving abilities and teamwork skills. Robotics is a multidisciplinary field that involves design, construction and programming. It encompasses mechanical engineering, electrical engineering, computer science, and artificial intelligence and many more topics: ***A laptop is required for this class**

- Programming
- Sensors and Motors
- Tool Use
- Logical and Spatial Reasoning
- Electrical Engineering
- Artificial Intelligence
- Construction and Fabrication

MONDAY

Robotics (G4-6)

Time: 3:10-4:10

Location: Elementary 102

Course Fee: \$5040 (15 sessions)

Science Adventures is an internationally accredited science education program with over 35 years of experience. Children will be introduced to the wonders of science in a fun and highly imaginative environment. Our philosophy of “learn-by-doing” and fun innovation approach has inspired children of all ages to learn with an open mind. We also develop and research the best-in-class science projects from different parts of the world in order to stay abreast with the latest programs, focusing on both conventional science concepts as well as ideas on environmental sustainability and renewable energy.

Our mission is to:

- Get children truly excited about science
- Develop and raise science literacy among school children
- Provide a creative, fun, hands-on way to learn science

Term 2 topics:

Space Explorer

Reach beyond the sky and explore the final frontier on an amazing adventure through the solar system!

Discover how robots and astronauts explore other worlds and investigate the science behind the rockets that send them into space. Blast off on a journey to the outer reaches of our universe!

Strange Science

Junior scientists wanted to get messy and delve into the strange world of science. From slime that’s both liquid and solid to the secret of treasure divers and pneumatics; join us as we discover just how weird and wonderful our world can be!

THURSDAY

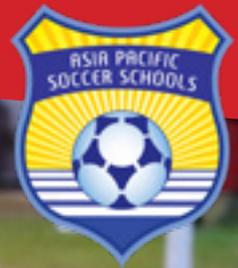

Science (G1-4)

Time: 3:10-4:10

Location: PG211

Course Fee: \$4704 (16 sessions)

Soccer

Asia Pacific Soccer Schools are a team of professional, qualified coaches have years of expertise teaching young players. Sessions follow an age-appropriate curriculum and use variety of exciting games where students enjoy themselves while learning the basics of soccer. Each activity is designed to improve a young child's motor skills and social skills ... while scoring goals and having fun!
