Check-In/Check-Out (Driver Responsibilities):

- Drivers will be in their seats and ready for students to board.
- Drivers will check students off as they are received from school staff during dismissal, ensuring that the student is on the correct bus.
- Drivers will re-check students as they disembark at their assigned stops, ensuring that the student is at the correct location.

Seating Charts:

- An assigned seating chart will be on the bus and on file in the area office. This chart will be updated throughout the school year to ensure the correct students are on the correct bus.

Route Substitutes:

- Any substitute driver/driver covering an extra run will receive proper route instructions (TD-25) and a student list before leaving the school.

Uncertain Drop-Offs:
