The public display of their achievements will serve to advance the tradition and excellence of Oredocker athletics.

AWARD CATEGORIES

Individual Achievement – Athletes who have been alum for at least five (5) years are eligible for this award. These individuals shall have displayed a distinctive athletic accomplishment during their time at Ashland High School. Their influence on Oredocker athletics shall have been positive while making a noticeable impact. Coaching Achievement – Ashland School District coaches who have been retired for a minimum of five (5) years and current coaches with 20 years of experience and 10 years in Ashland are eligible for this award. Coaches will be recognized for their significant positive contributions in support and promotion of Oredocker athletics. Their influence on Oredocker Athletics shall have been positive while making a noticeable impact. Although the selection is due in large part to accomplishments at Ashland High School, a secondary emphasis will be placed on achievements at other levels and institutions.

Distinguished Service – This award is to recognize special community contributors who have supported Oredocker athletics in an exemplary manner. Ashland youth sports coaches would fall under this category.

SELECTION PROCESS AND PROCEDURES

Nominations

Nominations to the Oredocker Athletic Hall of Fame shall be submitted electronically or by hardcopy to the high school athletic office by December 31st to be considered for the upcoming year. Nominations shall include the prescribed nomination form and up to three (3) letters of recommendation. The nomination form, letters of recommendations, and the attached rubric (which will be completed by the athletic department) will comprise the basis for a candidate to be inducted into the Hall of Fame. Nominees may “roll over” for up to five years, remaining in the pool of potential inductees. After five years the nomination procedure will need to be repeated. A nominee should not only signify achievement but be a person of high moral character and integrity. Background information such as felonies would disqualify a person from becoming a nominee.

Selection Committee

The selection committee will be comprised of 8 - 15 people. The selection committee will meet January 15 to review and select the year's nominees.

Voting Process

The athletic office will conduct a vote, with committee members voting either electronically or via paper ballot. The voting window will last from the day following the selection committee meeting until February 7

The selection committee, from the list of nominees and their bios and scoring rubric, will assign a ranking of the nominees based on the presented qualifications. Nominees must be included on 75% of ballots cast to be considered for induction. Of the nominees meeting this threshold the four (4) nominees with the most points will be considered the inductees for that year.

The inductees shall be notified and announced by Feb 15.

The inductees will be honored at a formal banquet/dinner to be held on the Friday of the Oredocker Foundation annual Golf Fundraiser. Inductees will be honored with a plaque to be displayed at Ashland High School and another for their personal collection.

Once inducted into the Ashland Oredocker Athletic Hall of Fame, inductees are expected to maintain high moral character and ethical behavior as demonstrated by the criteria for becoming an inductee. These inductees stand as a role model for citizenship and future Oredocker athletes. Extreme violation of this standard may result in the removal from the Hall of Fame. Removal will be recommended by and voted on by the selection committee.
