### Notes from CBRSD Families for Belonging for November 10, 2025

On November 10, 2025, a dedicated group of parents, staff, and community members gathered for the **Central Berkshire Families for Belonging** meeting to review our mission and identify areas where our district can better support our families.

While we reviewed our previous work regarding school supply accessibility, our conversation quickly shifted to address current demographic data and achievement gaps, before landing on the problem of food insecurity.

The statistics shared at the meeting highlight the urgency of this issue and to address these challenges and ensure our resources are accessible to all seven towns, we have outlined several actionable goals for the coming months:

- We will explore community partnerships including looking for ways to collaborate with Berkshire Health Systems as we look for ways to support our entire CBRSD community.
- We are exploring the feasibility of "share tables" in our cafeterias and reviewing regulations regarding leftover lunches to better harness food resources.

We also discussed ways in which we can increase school-family partnerships. One action step that was determined was to expand the use of virtual Parent-Teacher conferences for all schools to improve accessibility for families.

We invite you to join us in this vital work at our next meeting on **January 12, 2026, at 6:30 pm in the WRHS Learning Commons**. We will send out an agenda closer to the meeting date.
