Dear KHS School Community,

As we look ahead to the coming week, we pause to reflect on the significance of Dr. Martin Luther King Jr. Day. This important day invites us to honor Dr. King's legacy of service, justice, and perseverance, and to recommit ourselves to building a school community grounded in respect, equity, and care for one another.

School Schedule Reminders

- Monday, January 19 – *No School* in observance of Martin Luther King Jr. Day
- Tuesday, January 20 – *No School for Students*; Professional Learning Day for Teachers
- Wednesday, January 21 – Students return to school and we begin our Mid-Term Exam Schedule

As we enter mid-term exams, we encourage all students to come prepared each day by:

- Getting a good night's rest
- Charging devices fully
- Bringing required materials
- Arriving on time and ready to do their best

Clear preparation supports strong performance and reduces stress during exam week.

Killingly Robotics Highlights
We are proud to share that six Killingly Robotics teams competed this past weekend at Middletown High School on January 10. As the season reaches its midpoint, teams are competing for qualifying spots at the Connecticut State Championship, with aspirations of advancing to the World Robotics Championship in St. Louis from April 21–26.

With the addition of five new teams this year, the Killingly Robotics program continues to expand, providing more students with opportunities to engage in teamwork, problem-solving, and innovation. Each team competed in six qualification matches against strong opponents. Congratulations to Team 78889S – SUPERCHARGED, who advanced to the semifinals, and to all teams for their collaborative effort and sportsmanship. A special acknowledgment to Team 7889X – EXTRACTION for an impressive showing throughout the competition.

Looking ahead, Killingly Robotics will compete again this Saturday, January 17, as we host a competition right here at Killingly High School, beginning at 7:00 a.m. We invite our school community to join us in supporting our talented students.

Thank you for your continued partnership and support. We look forward to a focused, successful week ahead at KHS.
