

THE HOWLER

“LEAD THE PACK, FIND YOUR PATH, & HOWL WITH PURPOSE”

A MESSAGE FROM PRINCIPAL JONES

HHuskies,

This week has been filled with meaningful accomplishments across our school community, and I want to take a moment to celebrate the success of our students. We completed our student climate surveys, giving us valuable insight into how our students feel about their school experience and how we can continue improving. Our band and orchestra students delivered a fantastic concert, performing in front of a record crowd of families who filled the auditorium with encouragement and pride. Their growth has been remarkable this semester, and your overwhelming support made the evening truly special.

Our athletic programs also had a standout week, both on the court and in the stands. The wrestling team hosted a fabulous tri-match, earning victories over both Miller Middle and Byron Middle, and once again we saw one of the largest crowds we've ever had for a home wrestling event. Our boys and girls basketball teams remain undefeated after strong wins against Twiggs County on Saturday and Appling Middle on Wednesday, and the energy from our packed stands fueled our teams throughout both games. Thank you to every parent, family member, and community supporter who showed up in force; your presence creates an atmosphere our students will remember for years to come.

As we head into our final week before the Holiday Break, our focus will remain firmly on instruction each day. To keep spirits high, we will also incorporate a few fun spirit days throughout the week to bring joy and school pride to our students. We will end the week with a schoolwide PBIS celebration on Friday, recognizing positive behavior and the hard work students have demonstrated all semester. Please continue ensuring students are present every day so they can fully benefit from these final instructional opportunities and participate in our celebrations.

Thank you for your continued partnership in helping us Lead the PACK... and help students Find Their Path. Your consistent support, your attendance at events, engagement with our school, and commitment to daily attendance shows our students that they are surrounded by a community that believes in them. Together, we are building a school culture where every child feels supported, challenged, and inspired. We appreciate you more than you know.

Have a wonderful weekend! H2...You Know!

Principal Jones

UPCOMING EVENTS:
