

ATTENTION ALL ICE HOCKEY PLAYERS!

Butler Ice Hockey is looking to create an **ELEMENTARY TEAM! For the first time, we have suitable ice slots to accommodate our young kiddos! In addition, we have numerous fundraising options to help offset the costs of playing ice hockey. All we need is you!**

Please scan the above QR and register your child's interest in joining. Further information will be distributed in the near future.

We are excited about this opportunity and we don't want you to miss out!

Spread the word and help us build something special!
