Next Meeting of the Curriculum Committee February 24, 2026

**Region 10 Board of Education  
Curriculum Committee Minutes  
Tuesday, November 18, 2025  
4:30 PM  
Central Office Conference Room**

Present: Scott Ragaglia (Co-Chair), Rachel McFadden (Co-Chair), Scott Savelle, Matt Szydlo, Cassandra DuBois, Vonetta Romeo-Rivers (Director of Teaching & Learning), Jessica Bruenn, (Principal HCS), Allisa Keane (Principal LGS)

1. The meeting was called to order at 4:33 pm.
2. A motion was made to approve the minutes of our meeting held on September 18, 2025, as written by Scott Savelle and seconded by Matt Szydlo with a note that Scott Savelle's name was spelled incorrectly in item 2 of the minutes.
3. A long discussion took place regarding Elementary School Schedule Constraints (Spanish instruction 2x a week in grades 3 and 4, Band pullouts grade 4, no built-in travel time, FTE of Special Area Teachers, legal/contractual requirements for lunch, recess, planning, commitments to the instructional minutes in all four core areas of study). Jessica Bruenn, the Principal at HCS and Alissa Keane, Principal at LGS walked us through a review of the M-F daily schedule of learning for all grades. A very good discussion took place as we explored various options that could alleviate some of the time constraints without eliminating program offerings. Alissa Keane made recommendations about studying area elementary band schedules.
4. Topics for our next Curriculum Meeting: We will be canceling the December 16, 2025 meeting and we, as a committee, will meet next on January 20, 2026 to (a) further discuss the elementary scheduling constraints, with a particular emphasis on Band scheduling options explored by K – 12 Fine Arts Director, Jim Antonucci (b) to discuss the enrollment and offerings in our Technology Education department at LSM.
5. A motion to Adjourn was made by Cassandra DuBois and seconded by Rachel McFadden
