East High Parent Newsletter

Issue No. 5 | January 2026

East High School Families,

Happy New Year to everyone, we hope your 2025 ended well.

While other high schools are wrapping up their first semester we are smack in the middle of trimester two. Please check with your students on progress in their courses and encourage students to check their grades often. Parent teacher conferences are on Thursday, January 15th and sign up information was sent in an email on 1/5/26.

We have a couple favors to ask as we continue the 25-26 school year:
1. Please ensure your student has their district issued Chromebook charged and at school with them every day. We are running out of loaners early in the morning so it is critical that students bring their issued Chromebook to school.
2. We have an increase in the number of students not bringing their IDs into school, due to leaving it at home or losing their ID. Please encourage your student to check for their IDs, to bring them to school or purchase a new one in the office if they have lost it.
3. Lastly, we have seen a large increase in absences in the last month or two. We understand that students get sick and we definitely want students to take care of themselves and stay home if needed but our attendance rate is the lowest it has been. We are asking for your help as parents to work with your students, their counselors, or their associate principals to help us get students to school each day. We can not help students when they are not present to get the help. We appreciate any help you can give us.

If you have any questions or concerns please reach out to school.

SCHOOL CLOSINGS

There is no school on these days:

NO SCHOOL

January 16 - Staff Professional Development Day
January 19 - Martin Luther King Jr. Day

In the event of bad weather where schools may be closed, delayed or closing early, area radio and television stations will be notified so parents can listen for school closing announcements. The district will also inform parents through social media, such as instant messaging, X, and Facebook.

If schools close after the start of the student day, the notice is given to the media at least an hour before the first students are released to give parents, bus companies and others enough time to respond.

When you know that school will begin to close at a specific time, East High School will dismiss school approximately 30 minutes later.

Whenever there are inclement weather days and the school may or may not be dismissed early in the day, parents are reminded that they may pick up their child/children anytime. Students will not be dismissed prior to the assigned time unless parents pick them up. For parents who are working, please instruct your children what to do and where they need to go should you remain at work.

RED DEVIL PRIDE

RDP celebrated the end of the first trimester with grade level advisory gatherings and friendsgiving celebration during both lunches in the gym! 95% of students had 0-1 referrals for 1st trimester. There were snacks, card and board games in the cafe, face painting, bracelet making, and big games in the gym for students to play with friends! We appreciate students being respectable, dependable and prepared for all of their classes! Watch for more school wide RDP celebrations during the second trimester!

Our offices are open before and after school to make sure we are here when you need us!
